

## BIBLE NUMBERS IN THE GREAT PYRAMID OF GIZA

### THE ANTECHAMBER

#### INTRODUCTION

The Royal Cubit (RC) is taken as 20.6066 Pyramid Inches (P"). All measurements are based on the meticulous survey of Professor Petrie in the 1880's. Professor Petrie took two measurements, one with steel tape and the other with steel rods to confirm all his findings. The Pyramid Inch is taken as 1.011 British Inches.<sup>1</sup>

#### DIMENSIONS OF THE ANTECHAMBER

The dimensions are:

	P-INCHES	CUBITS	SQ.CUBITS	CUBIC CUBITS
Height: (H)	149.19 P"	7.24 RC	52.42 RC <sup>2</sup>	379.49 RC <sup>3</sup>
Width: (W)	64.93 P"	3.15 RC	9.93 RC <sup>2</sup>	
Length: (L)	116.17 P"	5.64 RC	31.78 RC <sup>2</sup>	
Floor Diagonal: (DF)	133.08 P"	6.46 RC	41.71 RC <sup>2</sup>	269.35 RC <sup>3</sup>
Longest Diagonal: (DC)	199.92 P"	9.70 RC	94.12 RC <sup>2</sup>	913.17 RC <sup>3</sup>

The NUMERICAL VALUE<sup>2</sup> of the Antechamber is:

$$L^3 + DF^3 + DC^3 = 1,562 \text{ cubic Royal Cubits}$$

This compares to the NUMERICAL VALUE of the King's Chamber = 20,404 cubic Royal Cubits

The volume of the Antechamber is:

$$H \times W \times L = 1,125,328 \text{ square Pyramid Inches, or } 128.61 \text{ square Royal Cubits}$$

This compares to the volume of the King's Chamber = 2,237 square Royal Cubits

The cubic root of the volume of the Antechamber is 104.<sup>3</sup>

SPIRITUAL INTERPRETATION OF ANTECHAMBER<sup>4</sup>

The NUMERICAL VALUE of the Antechamber is very close to **1/13<sup>th</sup>** of the NUMERICAL VALUE of the King's Chamber.<sup>5</sup>

**13 = REBELLION**

If the King's Chamber is symbolic of the MILLENNEUM, and the Antechamber precedes the King's Chamber on the same passageway, and if the relative numerical value is **1/13<sup>th</sup>**, then we conclude the Antechamber is symbolic of the REBELLION of the whole earth to God, or the period of the Great Tribulation, which immediately precedes the return of Christ.

There is more evidence to confirm this conclusion.

The NUMERICAL VALUE of the Antechamber is **1,562**.

**[1,562 = 11 x 2 x 71]**

**11 = MYSTERY**

**2 = TWO**

**71 = PROPHETS**

We read in the **11<sup>th</sup>** book of Revelation during the Tribulation there will be the testimony of two prophets who will warn the world not to worship the Beast:

**“And I will give power to my two witnesses, and they will prophesy for 1,260 days, clothed in sackcloth...it will not rain while they are prophesying...when they have finished their testimony the Beast will attack them...and kill them...but after three and a half days a breath of life from God entered them, and they stood on their feet” (Rev. 11:2-12)**

The **mystery** is we do not know who the two prophets are. The only two Old Testament saints that did not taste death are Enoch and Elijah. Some say Moses and Elijah.

There is more evidence the Antechamber is symbolic of the Tribulation. The length of the longest diagonal of the Antechamber is 199.92 Pyramid Inches. Rounding this to the nearest whole number, it is **200** Pyramid Inches. In Revelation chapter 9 verse 16 we read regarding the invading army from the East:

**“The number of the mounted troops was two hundred million. I heard their number.”**

The cubic root of the volume of the Antechamber is **104** Pyramid Inches<sup>6</sup>.

**[104 = 13 x 8]**

<sup>3</sup> 104 raised to the 3<sup>rd</sup> power equals 1,124.9 or rounded 1,125.

<sup>4</sup> For a detailed explanation of the spiritual meaning of numbers, please refer to [www.biblenumbersforlife.com](http://www.biblenumbersforlife.com)

<sup>5</sup> 20,404 = 1,562 x 13.06

**13 = REBELLION**

**8 = HOLY MAN**

Who is the Holy Man? The gematria<sup>7</sup>, or numerical value, of the 'Jesus' is **888**. He is the original HOLY MAN. The number **8** refers to any person who experiences the NEW BIRTH, i.e. one who dies to sin and begins a NEW LIFE of faith. These are the ones who repent from sin, believe, and live holy lives.

In the period of the Great Tribulation, the spirit of the people will be to REBEL against JESUS. There will be no middle ground. The rebellion will be a complete turning away, not only from faith in Jesus, but to the most godless behavior. Every evil practice condemned by God will be embraced. People will become immersed in idolatry, sorcery, murder, and every wicked thing.

There are more bad numbers to be found in the Ante Chamber. The squares of the three components of the largest right angle triangle in the room, in square Royal cubits, are:

Height 52.42

Floor Diagonal 41.71

Bottom Corner to Opposite Wall Far Top Corner Diagonal 94.12

The nearest round whole numbers for these three measures are **52**, **42**, and **94** respectively.

**52 = WORLD IN REBELLION ( 4 x 13) [see footnote<sup>8</sup>]**

**42 = EVIL MAN**

**94 = OPPOSITE (2) of SELF ABASEMENT (47)**

Again the bad spiritual number **REBELLION (13)** appears. Again it involves the whole **WORLD (4)**. This time we see an **EVIL MAN (42)** on the scene, likely referring to Anti-Christ. The Bible says regarding the Beast:

**“The Beast opened his mouth to utter proud words and blasphemies...to blaspheme God, and to slander His name and His dwelling place and those who live in heaven.”**  
(Rev 13:5-6)

<sup>6</sup> The actual cube root is 104.014. This is very close to 104; it is within measurement error of the actual value.

<sup>7</sup> Gematria takes the numerical value of each letter of a word, then adds them to give the value of the word.

<sup>8</sup> The Spiritual Number Map assigns a meaning of “Gospel Worker” to 52. This is not a contradiction. The message of the Gospel Worker is “The world is in rebellion, repent and be baptised, confessing your sins to God” 52 = 4 (WORLD) x 13 (REBELLION). Which meaning is used depends on the context. We also see 144,000 gospel workers in the Great Tribulation, so either meaning could be used in the context of the Ante Chamber.

In the Spiritual Number Map, **SELF ABASEMENT (47)** is a good number. It points to an attitude in the Christian of denying self and exalting God. The Beast will be exactly the opposite, having a proud haughty spirit, exalting himself and demeaning all around him, even the holy name of God. His spirit is **PRIDE (94)**.

### THE DIVISION LINE BETWEEN LIMESTONE AND GRANITE FLOOR

The Antechamber is 116 Pyramid Inches (P") in length from North to South. Coming from the North direction, i.e. from the Great Step moving towards the King's Chamber, the floor composition changes:

Limestone	<b>13</b>	P"	From the North Edge (Great Step side)
Red Granite	<b>103</b>	P"	From the South Edge (King's Ch. Side)
Limestone	<b>0.63</b>	Royal Cubits	
Red Granite	<b>5.00</b>	Royal Cubits	

### SPIRITUAL INTERPRETATION OF THE DIVISION LINE

<b>13</b>	=	<b>REBELLION</b>	
<b>63</b>	=	<b>GOD'S WRATH</b>	<b>[100 x 0.63 Royal Cubits]</b>
<b>103</b>	=	<b>** UNKNOWN **</b>	
<b>5</b>	=	<b>GOD'S GRACE (5) and MAN'S WEAKNESS (5)</b>	

On yet another occasion we see the number **13 REBELLION** in connection with the Antechamber. The number **103** is a prime number, in fact the **27<sup>th</sup>** prime number. At the time of this writing, the meaning of **103** has not been revealed to this author. However, the number **27** means "**HOLY TRUTH**". This indicates the number **103** is a good number, speaking of the glories of God's Holy truth in some way.

The division of the floor into two pavements suggests a struggle between two faiths and two world views. On the North side is the spirit of rebellion to God, the world system, the one world government, the idolatrous worship of the Beast and his power. On the South side are those obedient to God, washed in the blood of the lamb (red granite), waiting for the chosen servant of God to return to the earth and deliver the world from Satan and the effects of sin.

The red granite occupies 89% of the floor space, about **EIGHT** times as much as the limestone. The number **8** is has the spiritual meaning "**NEW MAN**". This marks the red granite portion of the floor of the Antechamber as symbolic of the saints, those who have received the new birth.

During the Tribulation the saints will be persecuted and decimated. In spite of the larger numbers of rebels, the floor space of the Tribulation is dominated by an area symbolic of the saints. It demonstrates that even if saints are smaller in numbers, they occupy the greater respect from God.

It is clear from the measurements of the limestone portion of the floor that **GOD'S WRATH (63)** is upon those who rebel. This is certainly the testimony of Scripture concerning the Tribulation:

**“Then I heard a loud voice from the temple saying to the seven angels ‘Go, pour out the seven bowls of God’s wrath upon the earth” (Rev. 16:1)**

Granite is harder stone than limestone. It has a density of 2691 kg / cubic meter versus 2611 kg / cubic meter for limestone. [Note: The precise density of red granite is not known to this writer.] This is another indication that the balance of power is on the side of the red granite.

The spiritual lesson implicit in the floor of the Antechamber is God will be the victor over the rebellion of man and angels. In spite of the **WEAKNESS (5)** of His saints in numbers and worldly power, by **GOD'S GRACE (5)** we will triumph over the enemy.

#### **THE BOSS RELIEF ON THE LIMESTONE LEAF**

In the Antechamber area there is a boss relief on a granite leaf, which is suspended above the floor. The granite leaf sits in a groove in the wall. The boss relief is remarkable since there are so few decorations of any description in the Great Pyramid.

The boss relief is 8 P” wide and 5 P” tall at the wall. The sides slope inward so the boss is only 5 P” wide and 3 P” tall on the flat side away from the wall. The boss is shaped roughly like a sloping inward semi-circle. The boss protrudes 1 P” from the limestone leaf. The cut-away base of the boss is parallel to the floor.

Significantly, the volume of the boss relief is equal to 1 British pint, and the weight of 1 British pint of water is 1 pound. The boss relief could be a commercial measure, either of liquid or perhaps of grain. To my eyes, it looks exactly like what a measuring pan would look like, with a flat bottom and a flat back but a smoothly rounded front for ease of pouring or scooping.

If the boss relief is a commercial measure, then this is significant in terms of the interpretation of the Antechamber. In the Tribulation the world commercial system will be at its apex:

**“The merchants who sold things and gained their wealth from her [Babylon] will stand far off, terrified by her torment. They will weep and mourn and cry out: Woe! Woe! O great city...” (Rev. 18:15,16)**

This spiritual implication is significant even to saints living today, not in the Tribulation, because there are abundant warnings in Scripture about the danger of loving the world [system]:

“Do not love the world or anything in the world. If anyone loves the world, the love of the Father is not in him. For everything in the world – the cravings of sinful man, the lust of his eyes and the boasting of what he has and does – comes not from the Father but from the world. The world and its desires pass away, but the man who does the will of God lives forever.” (1 John 2)

Scripture compares the fall of Babbylon to a great millstone dropping from above:

“Then a mighty angel picked up a boulder the size of a large millstone and threw it into the sea, and said: ‘With such violence the great city of Babylon will be thrown down, never to be found again.’ (Rev. 18:21)

The limestone leaf is a great stone, flat on two sides except for the boss. Not round like we would expect a millstone, but nevertheless suspended in air as if waiting to come crashing down.

Some have supposed the boss relief is a token of the covenant with Noah, because it is in the shape of a rainbow. God promised Noah:

“I have set my rainbow in the clouds, and it will be a sign of the covenant between me and the earth. Whenever I bring clouds over the earth and the rainbow appears in the clouds, I will remember my covenant between me and you and all living creatures of every kind. Never again will waters become a flood to destroy all life.” (Gen 12:13-15)

Compare this to the account in Revelation:

“Then I saw another mighty angel coming down from heaven. He was robed in a cloud with a rainbow over his head...He was holding a little scroll ... and said ‘There will be no more delay!’ (Rev 10:1,2,6)

The significance of the rainbow shape of the boss on the limestone leaf residing in the Antechamber is the sign the room represents the Last Days of God’s judgement as foreseen by the prophets. This is exactly what the mighty angel with the rainbow over his head said:

“The mystery of God will be accomplished, just as He announced to His servants the prophets.” (Rev 10:7)

The personal belief of the author is both interpretations of the boss are correct.
