

THE 11-SQUARE: THE TOUCHSTONE OF ALL PROPHECY

INTRODUCTION

This document presents very advanced spiritual truth. To grasp the 11-Square the reader must understand all the spiritual numbers from 1 to 121 and beyond. This will mean studying the number maps presented on our website and meditating deeply on what those numbers signify and how like chimes they group into themes and make music together. At a minimum the reader ought to carefully study our documents on the 3-Square (God's Grace), the 5-Square (Forgiveness of Sins), and the 7-Square (Time of the End). All these documents, the maps and the square studies, set the foundation. For convenience, an Appendix of number meanings is provided at the end of this document. This is not to ignore the benefit of the study of the rest of God's revelation in Scripture and in the stars in assisting the reader to not merely grasp concepts, but to receive insight through the Holy Spirit into all truth. Like hidden treasure, the one who digs into the deeper things of God will find a blessing. God said to Ezekiel *'Son of Man, eat this scroll... so I ate it and it tasted sweet as honey.'* (Ezekiel 3:3)

The number 11 means "Mystery". When we square the number 11 its meaning becomes more intense: "Mystery of Mysteries". We propose in this paper that *the 11-Square is the touchstone of all prophecy*. We will go so far as to say, we believe the 11-Square was known to prophets of old. They meditated upon it and God revealed to them messages which they proclaimed to the people. We are not saying every prophet of old knew the 11-Square, but we will present evidence in this paper that the major prophets knew it so well they could speak with authority based on the meanings it held.¹

The number 121 = 11 x 11 means "Watchman". God said to Ezekiel *'Son of Man, I have made you a watchman for the house of Israel; so hear the word I speak and give them warning from me.'* (Ezekiel 3:17). The spiritual number for 'Son of Man' is 120; for 'Watchman' is 121; and for 'City of Peace' is 122. When we go to the 11-Square we are entering the dark places where the prophets of God of old trod. The word 'Watchman' is associated with night: *'The burden of Dumah. Someone calls to me from Seir: Watchman, what is left of the night? Watchman, what is left of the night?'* (Isaiah 21:11). In nighttime there is darkness. Darkness speaks to us of a mystery human eyes can't see. This is the place where the prophet listens and watches for the message from God. So much of prophecy has already been revealed. The question for the prophet of today is the same as it was in the time of Isaiah: *'What is left of the night?'* Exactly where are we in the prophetic time-line of history? What is yet to come? This is the role of the Watchman. When we meditate on the touchstone of all prophecy, we recognize in it all the prophecies that have already been uttered. *May God grant his watchman of our day fresh revelation for the world and the people of God as we eat the scroll (the 11-Square).*

¹ We are not saying the 11-Square was the only source of inspiration of prophets of old. They saw visions for example.

THE SCROLL

(The author is smiling broadly as he writes this). Many of you read my words in the last paragraph: “May God grant his watchman of our day fresh revelation for the world and the people of God as we eat the scroll (the 11-Square)”. You are thinking ‘when God spoke to Ezekiel to eat the scroll – he meant a writing on a parchment – not the 11-Square!’. Well, actually, what was written on the scroll is not revealed. All we know is Ezekiel ate it, it was sweet in his mouth, and after eating the scroll he prophesied. What was on the scroll itself is something not recorded in Scripture. The writing on the scroll is a mystery. Ha! A clue! The number for ‘Mystery’ is 11! The scroll was, if not square then rectangular. It was a rectangle filled with 11 – a mystery. We are closer to uncovering the truth.

The apostle John also was given a scroll to eat. Again, we don’t know what was written on the scroll except that it was sealed with seven seals. Another clue! What John was eating was the 7-Square, the numbers which set forth the events and the mysteries concerning the Time of the End (49). How do we eat a scroll? Is this not a figure of speech that means to meditate upon the scroll, to digest it?

Now another objection arises: ‘You dummy! It says the scroll was written on both sides: it was an inscription of Hebrew letters on the scroll not a matrix of numbers!’ We agree! It was a writing filled with Hebrew letters. But what do Hebrew letters signify? Numbers!

So we can definitively say that the scrolls of Ezekiel and of John were square or rectangular and filled with numbers! The contents of the scrolls are not revealed in Scripture, it is a mystery. So, we can definitively say the scrolls were filled with mysterious numbers! That is what the 11-square is: numbers arranged according to a mystery (11) of mysteries (11).

Behold, *I will show you a mystery!* The 7-Square is contained within the 11-Square. So, John and Ezekiel were eating the same scroll! *The scroll is the touchstone of all prophecy.* The 11-Square is the food of the Watchman.

THE 11-SQUARE

The '11-square' is a matrix with numbers from 1 to 121 arranged in order starting top-right and ending in the bottom-left (that is positioned as a Hebrew would write them):

11	10	9	8	7	6	5	4	3	2	1
22	21	20	19	18	17	16	15	14	13	12
33	32	31	30	29	28	27	26	25	24	23
44	43	42	41	40	39	38	37	36	35	34
55	54	53	52	51	50	49	48	47	46	45
66	65	64	63	62	61	60	59	58	57	56
77	76	75	74	73	72	71	70	69	68	67
88	87	86	85	84	83	82	81	80	79	78
99	98	97	96	95	94	93	92	91	90	89
110	109	108	107	106	105	104	103	102	101	100
121	120	119	118	117	116	115	114	113	112	111

From the colors we see the 9, 7, 5, and the 3-Squares are all nested within the 11-Square.

Can you see the pattern of a pyramid? The Messiah is the capstone of the pyramid, the chief stone. Although it is in the center, it is a corner. This is only possible if it is at the top of a pyramid:

“Therefore thus saith the Lord GOD, Behold, I lay in Zion for a foundation a stone, a tried stone, a precious corner stone, a sure foundation: he that believeth shall not make haste.” (Isaiah 28:16)

“The stone which the builders rejected is become the head of the corner” (Mark 12:10)

FIRST READING

What does the 11-Square mean? Let's read it. Look at the 4 corners of the 11-Square: 1, 11, 111, 121. What does it mean? According to the spiritual meaning of numbers it means:

THE BEGINNING (1) <of> THE MYSTERY (11) <is> FEAR OF THE LORD (111): WATCHMAN (121)

What does that tell us? It says we cannot understand the Mystery of the 11-Square, we cannot be a Watchman, unless we possess the Fear of the Lord. In other words, the interpretation of the numbers in the 11-Square is only digestible food for the man who fears the LORD.

Who is this LORD that should be feared? What does the 11-Square say?

Power is possessed by the one at the center of power. The LORD is the center of the 11-Square: number 61. The spiritual meaning of 61 is MESSIAH.

This narrows it down considerably! The only people on earth to whom the prophetic mystery has been revealed or will be revealed are those who believe the Messiah, the King of the Jews is the one who possesses all power – who is to be feared. Before the Cross that would include people of faith from the line of the patriarchs down through Moses and David and the prophets to New Testament times.

After the Cross, the people to whom the mystery is revealed are the called and chosen of the Kingdom of God: the ones who accept Jesus Christ is the King of the Jews. My friend, if you are in that category you can read the 11-Square too. After the rapture of Christians, God will appoint other prophets who fear him to speak during Daniel's 70th week. And so on.

The angel said to John: '**Worship God: for the testimony of Jesus is the spirit of prophecy**' (Rev. 19:10). Every prophecy that has been uttered through inspiration of the Holy Spirit to a saint meditating on the scroll is spoken for the glory of God. The Messiah is at the center of the 11-Square, and he is at the center of all spiritual squares of all dimensions. He is the one who knows the end from the beginning, who raises kings and puts them down, who holds the earth and all living beings in the palm of his hand.

Prophecy starts with worship, with exalting Jesus. To read the 11-Square is not a mathematical exercise, it is a Holy Spirit guided exercise. The one who meditates on Bible numbers has a promise:

'He who has an ear [spiritually reborn man] let him hear what the Spirit says to the churches. To him who overcomes I will give of the hidden manna [number meanings in Bible]. I will also give him a white stone with a new name written on it [fresh revelation – fresh prophecy]' (Rev. 2:17)

The Hebrew word 'Mana' was the white bread the Israelites ate in the desert. The Hebrew word 'Manah' means 'number'! The 'h' in Manah means Grace. By God's Grace, those saved by Grace can understand the spiritual meaning of numbers in the Bible and in the 11-Square.

THE GARDEN OF EDEN

As a demonstration we will show how the entire story of the Garden of Eden exists within the 11-Square. Along the way you will learn principles for interpretation of numbers within the scroll.

It turns out the story of the Garden of Eden exists within the 5-Square of the scroll. The story begins with the LORD and Adam in the Garden before Eve:

ADAM:		LORD:		
41	40	39	38	37
52	51	50	49	48
63	62	61	60	59
74	73	72	71	70
85	84	83	82	81
KINGDOM OF BEASTS		KINGDOM OF ANGELS		

The Bible says “in the middle of the Garden were the Tree of Life and the Tree of the Knowledge of Good and Evil” (Gen. 2:9). Behold, that is where we find it: the five yellow blocks are the Tree of Life. The spiritual number 5 means ‘Life’ so we know the Tree of Life must be made of 5 blocks.

The Tree of Life separates the 5-Square into four quadrants: (1st) The LORD (2nd) Adam (3rd) Angels and (4th) Beasts of the Earth. The LORD rules over the Kingdom of Angels and Adam rules over the Kingdom of Beasts. When a block is above another block it dominates or rules it. Same principle is true for quadrants of blocks.

Let’s read the spiritual numbers in each section of the Garden of Eden square in the scroll:

First, let’s look at the Tree of Life. There are five numbers and the message of the Tree of Life is:

PURE (50) EARTHLY KING (60) MESSIAH (61) <has> TWO FAMILIES (62) NEW MAN and OLD MAN (72)

The message of the Tree of Life is Jesus is LORD of HEAVEN (born-again man) and EARTH (carnal man)!

Second, let’s look at the four stones marking the boundary of the Tree of Life:

(1st) **FORBIDDEN FRUIT (39)**: The number 39 = 13 x 3 which means ‘Rebellion (13) to God (3)’

(2nd) **RICH OPPRESSOR (59)**: If you sin, you will be a slave to sin, powerless to regain freedom

(3rd) **GOD’S WRATH (63)**: If you sin, you will die

(4th) **NATION HATES GOD (83)**: If you sin, all the ones after you, your offspring, will sin just like you

The sum of the stones in the Tree of Life is 305 which means 'Life' (5) of 'Messiah' (61) {305=5x61}.

Whoever eats from the Tree of Life enjoys Eternal Life! Whoever eats from the Tree of Life will live as Jesus lived while they are on the earth (1 Peter 4:2)

The sum of the stones in the Forbidden Fruit is 244, which means 'Break Apart' (2) of 'City of Peace' (122). The harmony, balance, beauty, and peace of the people, the beasts, the LORD, and the angels who enjoy the Garden of Eden will be broken by eating the Forbidden Fruit.

Now let's look at the four quadrants in the four corners of the scroll:

- (1st) **LORD:** Chosen Servant (37): The Lion (38)! <has> Father's Blessing (48) and Father's Love (49)
- (2nd) **ADAM:** A Test of Faith (40)! A Rule for Man (41)! <brings> Praise (51) and Witness of Gospel (52)
- (3rd) **ANGELS:** Elders (70) Judge (71) Holy Angels (81) <before> Throne of God (82)
- (4th) **BEASTS:** World Rule (73) <of> Beasts (74); Court of Lord (84) and Communion (85)

The interpretation of the spiritual number messages:

- (1st) The LORD is in the 1st corner, as Hebrews would read. The 1st corner is the quadrant of power;
- (2nd) The rule for Adam is 'Don't Eat the Forbidden Fruit (39) or you will die'; Obedience glorifies God;
- (3rd) 'Elders judge holy angels' suggests angels are organized in a hierarchy; One over the other;
- (4th) 73 means 'Babylon' but what it means is world rule. We see Adam's special connection to the animals: They ate together (communion). The numbers tell us Adam ruled them in the fashion of a Court, that is not arbitrarily but according to legal principles.

More information in the spiritual numbers of the four quadrants is contained in the sums of the blocks:

- (1st) **LORD:** Sum of four blocks = 'Blood Enemy' (172)
- (2nd) **ADAM:** Sum of four blocks = 'Believer's Sleep' (184)
- (3rd) **ANGELS:** Sum of four blocks = 'Pagan Altar' (304)
- (4th) **BEASTS:** Sum of four blocks = 'People Rejoice' (316)

Interpretation of the spiritual numbers messages:

- (1st) The LORD has an enemy, who has access to the Garden from the East who is Satan: Rich Oppressor
- (2nd) God puts Adam to sleep to create Eve, we will discuss this in the next section
- (3rd) When the LORD looks down at the Angels through Satan (#59), i.e. him ruling them (in the position above them) he sees the hated Pagan Altar. (Note, this doesn't happen until the fruit is eaten)
- (4th) Animals are blessed from living in the Garden of Eden – it is the ideal life for them

(Note on the spiritual number: 'People Rejoice' (316). The author has kept sheep for many years. After a while such a bond develops we name the sheep, we know the sheep. We begin to think of them and love them as if they are people. It pleases the shepherd (Adam) to see his sheep content)

Eating the Forbidden Fruit:

The Forbidden Fruit is ‘Rebellion to God’ – it promises freedom, but it leads to slavery. Sin is like being wrapped in heavy bags of sand. The force of gravity weighs the bags down. When Adam and Eve sinned they found themselves dragged down by a spiritual weight. Sin is pulled down by the force of evil. Evil has a ruler, and the ruler is Satan. There is no freedom in rejecting God. He who rejects God simply transfers authority to another ruler, who is the slave driver, the Rich Oppressor, Satan.

ADAM AND EVE

We will now place our attention on the 2nd quadrant of the Garden of Eden. The Bible says:

“The LORD God said ‘It is not good for the man to be alone. I will make a helper suitable for him... So the LORD God caused the man to fall into a deep sleep; and while he was sleeping, he took one of the man’s ribs and closed the place with flesh. Then God made a woman from the rib he had taken out of the man and he brought her to the man.” (Genesis 2:18 and 21-22)

“Adam named his wife Eve because she would become the mother of all the living.” (Gen. 3:20)

Let’s look at the scroll and see if we can find Eve. Look, there she is – taken out of Adam’s side:

ADAM:

41	40
52	51

ADAM:	EVE:
41	40
52	51

Why would the Spiritual Number for Eve be 40? Any husband will tell you have a wife can be a blessing, but it can also be a ‘Trial of Testing’ (40)! But this is not the primary meaning in the context.

EVE: ‘Mother of all the living’ = ‘LIFE’ (5) <to> ‘NEW MAN’ (8) = ‘LIFE’ (5) <to> ‘CHILDREN’ (8) [40=5x8]

We immediately see something a little disturbing. Eve was created to be Adam’s helper – but look: the stone of Eve is in the 1st quadrant, the position of power! The figure for Adam has become a chair that Eve is sitting on! And on this chair or throne Eve is facing East in the direction of God, not Adam!

Without Eve: the spiritual number of Adam is 184 ‘Believer’s Sleep’, indicating rest and peace.

With Eve: the spiritual number of Adam (three blocks in shape of a chair) is 144 ‘Liar Satan’! No peace.

When Eve submits to Adam's authority, she disappears. She becomes 'one-flesh' with Adam. There is rest and peace in the home. This is the way God intended the relationship to be conducted:

"For this reason a man will leave his father and mother and be united to his wife, and they will become one flesh." (Genesis 2:25)

How can there be unity in the marriage? There must be one flesh. Eve must disappear and Adam must be the one seen to the world. Just as Adam gently and justly ruled the animals in the garden, now he must tenderly lead his ewe lamb Eve. The trick is she must submit to his leadership for this to work.

The spiritual numbers tell us this is not what happened in the Garden. Eve came to the front, to the position of the 1st quadrant: she took power over Adam. There was strife in the relationship, 'Liar Satan', until Adam submitted and stood meekly at Eve's side. This is the first step towards eating the Forbidden Fruit.

This interpretation of the spiritual numbers in the scroll agrees with the Scriptures. God spoke:

"To Adam he said 'Because you listened to your wife and ate from the tree...'" (Gen 3:17)

Adam should not have allowed Eve to take dominance in the spiritual part of the relationship. He should not have listened to her, submitted to her interpretation of spiritual things.

"To the woman he said 'I will greatly increase your pains [40] in childbearing [40]; with pain you will give birth to children. Your desire will be for your husband but he will rule over you'" (Gen 3:16)

Eve had become a pain to Adam. Such a pain that Adam felt his only choice was to submit to her to escape the torment. Now, to the woman God said: you have produced pain for your husband, now it is your turn to be in pain. To remind her exactly of what she was being punished for, he spelled out to her that her duty was to give the leadership in the family to the husband.

Do you think this is merely an Old Testament teaching, not for the modern Christian woman today? Listen to the Bible:

"A woman should learn in quietness and full submission. I do not permit a woman to teach or have authority over man: she must be silent. For Adam was formed first then Eve. And Adam was not the one deceived; it was the woman who was deceived and became a sinner. But woman will be kept safe through childbirth if they continue in faith, love, and holiness with propriety." (1 Timothy 2:11-15)

The relationship of the woman to the man has been at center of the spiritual conflict between God and Satan since the beginning of time! It is just as important today as it has ever been for a woman to submit to her husband. Nothing that has ever happened since the Garden of Eden has cancelled the commandment of God to Eve in the garden!

TREE OF KNOWLEDGE OF GOOD AND EVIL

With Adam firmly under the control of Eve, we now find the couple visiting the other tree in the Garden of Eden, the Tree of the Knowledge of Good and Evil:

ADAM:	EVE:	FRUIT:	SNAKE:	LORD:
41	40	39	38	37
52	51	50	49	48
63	62	61	60	59
74	73	72	71	70
85	84	83	82	81
NATURE:		ANGELS:		

In this dark corner of the Garden the LORD, Adam, the Angels, and Nature are reduced to their minimum size. Their influence on this affair is nil.

Once again, in the middle of the Garden [the scroll too] we find the Tree of the Knowledge of Good and Evil. This tree is bigger: it has 10 stones. Amazingly, the Tree of Knowledge is actually the Law of God: which is perfect. Satan tells Eve must swallow the Forbidden Fruit to get blessings from the tree. As we see the Forbidden Fruit is not part of the Tree, it is the deception of Satan dangled in the Tree. Satan is subtle! His lie is adding a rule to the Law of God!

The Snake has increased to maximum size! And the Snake is not found in the Tree of Knowledge but he surrounds the Tree of Knowledge. He is keeping Eve from seeing the consequences of sin!

The sums of the stones belonging to each of the participants in this scene:

EVE: ‘Testing’ (40) – Eve is being tested: will she obey God or believe Satan?

FRUIT: ‘Rebellion (13) is Truth (3)’ ~ This is the lie: it is better to fight God than bow to him [39=13x3]

SNAKE: ‘Testimony (10) to Depart From The Faith (57)’ ~ Exactly Satan’s words! [570=10x57]

SNAKE+FRUIT: ‘Truth (3) of Strong Enemy (203)’ ~ Satan is Eve’s enemy: She can’t see it [609=3x203]

SNAKE+FRUIT+EVE: ‘Darkness (11) of Rich Oppressor (59)’ ~ When Eve eats: she is a slave [649=11x59]

LORD+ADAM+ANGELS+NATURE: ‘City of Peace (122) is Broken Apart (2)’ ~ The sin of Eve has immediate consequences: the Garden of Eden, the City of Peace is no more. Adam and Eve will be cast out, the earth will be cursed, and the LORD and the ANGELS can do nothing to stop it because for this moment in time Satan possesses the center. [244=122x2]

TREE: ‘Message (4) of Fear of Death (158)’. When Satan is cursed he falls to the ground with the result that the Tree of Knowledge is exposed for all to see. The Law condemns sin! The wages of sin is death! Not only Satan falls to the ground, but Adam (and Eve) too: **“By the sweat of your brow you will eat your food until you return to the ground, since from it you were taken; for dust you are, and to dust you will return.”** (Genesis 3:19) [632=4x158]

THE JUDGEMENT FOR SIN

The situation in the Garden has changed. The snake has fallen to the ground, and is curled up behind the Law, specifically behind Nations That Hate God (83), and Adam and Eve are hiding in the trees, behind Nature (85).

The Law of God is now unveiled and in full effect on planet earth. The Court of the Lord (84) is in session presided over by the Throne of God (82) upon which is seated the LORD. The Angels (81) are present, serving as witnesses. All these people and events are taking place on earth – notice that 81, 82, 83, 84, and 85 are all on the bottom row of the 5-Square.

41	40	39	38	37
52	51	50	49	48
63	62	61	60	59
74	73	72	71	70
85	84	83	82	81

NATURE	COURT	LAW	THRONE	ANGELIC
	OF GOD	OF GOD	OF GOD	WITNESS
{hiding}		{hiding}	{sitting}	
ADAM &		SNAKE	LORD	
EVE				

The LORD announces his accusation of sin against the Snake, Eve, and Adam.

The sum of the light blue stones touching the Law is 727 which is the 129th prime. The number 129 means ‘Accusation’!

The Angels are in a corner watching. They have no part in the proceedings except to witness it.

Adam and Eve are hiding in the trees, naked. Their nakedness testifies against them. They have no defense.

Satan hides behind the law. He is a lawyer! And he is an eternal spirit. The Law judges the flesh, and he is not flesh. So, the Law cannot judge Satan.

But God is the Lord of Heaven and Earth. He passes judgment on Satan according to His holiness, which is a higher law than the Law of Moses.

We see an important truth in this revelation that is often missed. There are not two Laws of God, one for the Israelites and another for everyone else. There is only one Law of God, the Law of Moses, and that is the law that judges all souls. At the resurrection of the Great White Throne judgment every human that has ever lived, excluding those who were already resurrected under Grace, will stand before God and have their lives judged by the Law of God. All will be convicted of sin, because all have been born of Adam, who sinned. Like Adam they are sinners. Like Adam they will be judged. There is no excuse for sin. “Eve gave to me” won’t get you off the hook.

JUDGMENT OF ADAM

The picture and the sum of the spiritual numbers in the stones tell us the story.

The sum of the stones in the Law and the Accusation, which is the whole 5-Square not including the Angels (81) and Nature (85) is $1,359 = 9 \times 151$, which means 'Judgment (9) of Man's Possessions (151)'.

Based on the picture, what possessions was Adam left with? His block was Nature (85). He possessed nothing in the skies, no spiritual blessing. His block is in the far left corner, it sits on top of no other blocks: the kingdom of Adam rules over nothing. His identity as Earthly King (60) is stripped away. Adam is left only with the earth that he came from:

"From dust you are, and to dust you will return" (Genesis 3:19)

The judgment goes farther than that. If you look at the stones you will see the stone God's Wrath (63) or Curse (63) sits on top of the Beasts (74) which sit on top of Nature (85) and hiding within Nature (85) are Adam and Eve. All these are now Under the Curse (85).

Regarding the earth God says:

"Cursed is the ground because of you, through painful toil you will eat of it all the days of your life. It will produce thorns and thistles for you and you will eat the plants of the field. By the sweat of your brow you will eat your food until you return to the ground." (Genesis 3:17-18)

God says Adam will eat the plants of the field. What did Adam eat in the Garden? He ate the Mana, the food of angels. That food would sustain Adam's life so he was free from disease and permit him to live hundreds, maybe thousands of years. Now Adam would eat the plants of the field so it follows automatically that Adam's life span would be shortened.

JUDGMENT OF SATAN

What did Satan do wrong? He stole Eve from Adam. He spoke untruths about God to her. He hid the consequences of sin, judgment under the Law, from Eve's eyes. He may have even had a part in enticing Eve to throw aside the yoke of Adam and rebel from his authority over her. Eve belonged to Adam, but Satan stole her heart away and made her his own follower. She adored Satan and believed him to be an angel of light sent from God, one who blesses his devotees with knowledge "able to make you wise", with glorious delights "pleasing to the eye", and spiritual words "good for food". Eve became the first sucker for religion, Satan's imitation of a spiritual relationship with God. Adam had a face to face relationship with God – that is the true spirituality. Eve never had that.

Eve was Satan possessed. When Eve ate the fruit, Satan entered Eve. When Eve was cast to the ground, Satan had to descend with her: ***"You will crawl on your belly and you will eat dust."*** (Gen.3:14)

PROPHECY OF THE MESSIAH

We will now present to you the most amazing set of truths contained within the 5-Square of the scroll. Prepare yourself to be amazed. If this does not persuade you the 11-Square is the scroll which the prophets ate, from Moses to the apostle John, nothing else will convince you.

This presentation concerns things which will occur in the future, not in the Garden. Therefore the persons and the events which are spoken of are different than in the Garden. In particular, we discover the Virgin Mary, the Messiah Jesus, the Elders of Israel, and the Angels who serve the Elders of Israel, and Satan who has elevated himself to the position of God of this World.

	VIRGIN MARY {BIRTHS} ISRAEL LOWLY REJECTS MESSIAH MESSIAH					
MESSIAH TESTED	41	40	39	38	37	MESSIAH IS RISEN
MESSIAH VINDICATED	52	51	50	49	48	FROM THE DEAD
JERUSALEM CURSED!	63	62	61	60	59	SATAN: GOD OF ISRAEL
WORLD RULE OF THE BEAST	74	73	72	71	70	ELDERS OF ISRAEL
NO PLACE FOR JUSTICE OR HOLY COMMUNION	85	84	83	82	81	ANGELS OF ISRAEL
	SATAN: GOD OF THIS WORLD					

Before we go into all the depths of this mystery, we will identify the groups of stones. The green stones are the Messiah. The red stones are Satan. The blue stones are Israel. The yellow stones are the prophetic truths. The purple stones signify the Virgin Mary, the holy woman of God.

This prophetic event is the first coming of the Messiah, his birth, holy life, his death and resurrection.

THE SEED OF THE WOMAN

These are the words of God to the Snake in the Garden:

**“And I will put enmity between you and the Woman;
and between your seed and her Seed;
he will crush your head, and you will strike his heel.”** (Genesis 3:15)

Eve ate the Forbidden Fruit (39). In the 5-Square, the Virgin Mary covers the Forbidden Fruit (39), meaning she overcame that temptation. In contrast to Eve whose desire was to rule and to dominate, the Virgin Mary submitted herself completely to God, even offering her body for his service, and took her proper place as a servant:

“I am the LORD’s servant’ Mary answered, ‘May it be to me as you have said’” (Luke 1:38)

The sum of the stones of the Virgin Mary is 89 ‘Son of David’. No, the Virgin Mary was not the son of David, but she was descended from the line of David (Matthew 1). This is the key qualification to be the mother of the Messiah.

There are no stones above the Virgin Mary in the 5-Square. What does this mean? It means that which was born of the Woman was conceived invisibly. This is how we know she was a virgin and the Messiah would be born of a virgin. It also suggests that Jesus had no progenitor: that he was incarnated not created. In other words, he set aside his divine attributes to become a man under authority (Philippians 2:6-7). When the time had come Christ was born of a virgin in the Holy Land.

The Lowly Messiah appears as the two green stones beneath the Virgin Mary. The sum of the stones of the Lowly Messiah is 133 ‘Brotherly Love’. Isn’t Brotherly Love (133) a picture of Jesus? Full of love and good will toward men. The angels sang at Jesus’ birth:

“Glory to God in the highest, and on earth peace to men on whom his favor rests” (Luke 2:13)

The Messiah is pictured beneath the Virgin Mary in the 5-Square. Does this mean Mary had some rule or authority over the Messiah? No, because even Mary declared she was a sinner, and Jesus was her Savior (Luke 1:47). The Scripture say concerning Mary:

“The Holy Spirit will come upon you and the power of the Most High will overshadow you.” (Luke 1:35)

The Holy Spirit appears invisibly in the 5-Square ‘over shadowing’ Mary. Mary had no authority over Jesus, but Jesus walked in the power of the Holy Spirit! The invisible Father in Heaven spoke to the Holy Spirit who spoke to Jesus. Therefore Jesus could say:

“I do exactly what my Father has commanded me.” (John 14:31)

The LORD predicted in the Garden that there would be enmity between Satan and the Woman and between Satan's seed and the Seed of the Woman. Where do we see this?

The enmity between Christ and Satan is pictured for us in the center column of stones. The sum of the stones for the Virgin Mary (89), Lowly Jesus (133) and Satan (83) is 222, which means: 'Break Apart' (2) 'Fear of the Lord' (111). Satan did everything he could possibly do to tempt Jesus to sin, to blind the eyes of those who might believe in him, even going so far as to incite the religious leaders to denounce Jesus and call for his execution. But he did not succeed, and that is why he is at the bottom of the pile of stones and the Messiah (61) is the center stone of the 5-Square above him!

The stone that is directly above Satan (83) is Division of Exalting Man (72=2x36). In our physical construction, does not the skeleton of an erect man pivot upon the heel? Does not the heel divide the vertical part of man (erect body) from the horizontal part (foot)? The stone Heel (72) is at the bottom of the Lowly Jesus (133). This is the place Satan strikes, when we at our weakest, our lowest point:

"He will crush your head, and you will strike his heel (72)" (Genesis 3:15)

Before, we press on we would comment that the battle between Satan and Christ continues on today between Christians (133) and the People That Hate God (83). Who is the mother of Christians? It is the same Holy Spirit that filled Jesus, who empowered him and revealed truth in his inmost being. Who is Mary? She is not the Virgin Mary in heaven as those confused about these matters would suppose. Our Mary is the 'Jerusalem that is above' - she is our mother (Galatians 4:26).

BEHOLD MESSIAH HAS COME

While the birth of Christ (89) and the life of the Lowly Messiah (133) has played out on the earth, who has been watching all these events and pondering what they mean? It is Israel – the five stones in the blue column right beside the center column. The number 5 means 'Grace' or God's unmerited favor. *Israel is the first nation in the world that Messiah revealed himself.* What an honor!

Look at the sum of the spiritual numbers in those five blue stones, *300 'God Appears'!*

It is a terrible pun to say so, but none of these things happened in a corner! The magnificent life of Jesus from his miraculous birth and choir of angels, to his healing of the blind and the palsied, to his good confession before Pilate, to his crucifixion were all public events attended by witnesses from the Jewish race.

If Israel had accepted Jesus, the Kingdom of God would have come and the column of five stones would have been the wife of Messiah! She would have stood as a faithful witness to the truth and proclaimed to the world: Messiah has come! Israel would have entered into 5: into Life (5).

But, in spite of the fact there were many Israelites who saw Jesus' miracles and believed he was the long promised Messiah, two important groups did not: the Elders (70) and the Angels (81), who in this scene represent the Pharisees (81). The Elders (70) and their Agents (81) turned their backs on the Lowly Jesus (133). From the pile of stones in the 5-Square we can see the 5 upright stones form the back of a chair, and the front of the chair (Elders and Agents) is facing away from the Lowly Jesus (133)!

When the two stones of the Elders (70) and Pharisees (81) are added to the five stones of Israel, the total is seven stones. The number 7 means 'The End'. The rejection of the Lowly Jesus (133) meant that 'The Time' (7) for Israel to occupy the Holy Land was at 'The End'.

The sum of the stones:

ISRAEL (5 stones): 300 'God Appears'!

ELDERS+PHARISEES (2 stones): 151 'Man's Possession'

ISRAEL+ELDERS+AGENTS (7 stones): 451 'Man's Rules in Darkness' (451=41x11)

The interpretation of the messages:

The Elders and Pharisees rejected Messiah because they saw Israel as their possession, not God's. They did not want the Kingdom of God to come, for Jesus Christ to be their ruler on earth. They wanted to keep Israel as their own private kingdom over which they retained authority to make rules.

The Elders imposed their will according to secret councils which in which they examined Jesus at night. Their rules were man's rules not God's rules. The prophets and the scroll testified of Jesus. Like the original sin in the Garden, they added their own rules and by so doing negated the word of the LORD.

Something else amazing happened when Christ was rejected. Satan appears as the God of Israel. Nature abhors a vacuum, and when the Holy Spirit departed from the Temple and the veil was rent in two from top to bottom at the very hour Christ died on the Cross, Satan entered into the community of Israel as their ruling spirit.

We see this dramatically when the Rich Oppressor (59), the red stone, appears seated upon the chair comprised of Israel (300), the Elders (70), and the Pharisees (81).

Just as when Eve ate the Forbidden Fruit (Rebellion to God) and Satan entered into her, Satan entered into Israel when she rejected the Lowly Jesus (133) sent to her.

SATAN+ ELDERS+AGENTS (3 stones): 210 'Testimony (10) of Lawlessness (21)'

SATAN+ISRAEL+ELDERS+AGENTS (8 stones): 510 'Life (5) of Destitute and Abandoned (102)'

The interpretation: rejecting Christ was in violation of the Law and the Prophets (210). The result of this great sin was that Jews were ejected from the Holy Land and became wanderers on the earth.

MESSIAH RISES FROM THE DEAD

Everyone knows what happens in the story: Lowly Jesus (133) is betrayed by the one who dips his hand in the same dish, put on trial at night before the Elders of Israel, condemned for claiming to be the Son of God, and then Christ is crucified by the Romans. The disciples of the Lord flee in terror and hide in their homes for fear of the Jews.

And then on the third day, Christ is Risen! He appears in the top right quadrant of the 5-Square, the privileged place of power and authority, as the two green squares: 'Chosen Servant' (37) 'Blessed of the Father' (48). The sum of the two stones is 85 'Lord's Supper'. The Lord's Supper is composed of the bread and the wine, the same emblems of Melchizedek. Christ now occupies the high priestly ministry of the covenant of Melchizedek, which means Lord of Righteousness. Melchizedek was the King of Salem. So Christ becomes the King of Peace.

See how the prophecy of God in the Garden is fulfilled:

"I will put enmity between you and the woman and between your seed and her Seed: he will crush your head and you will strike his heel." (Genesis 3:15)

The two green stones in the top right hand corner are poised to fall upon the red stone who sits upon the two blue stones beneath him. In the last days, The Risen Christ will come down from heaven and crush the anti-Christ, the Rich Oppressor, who is married to Israel, represented by the two blue squares underneath him.

THE CHURCH IS BORN

Israel, the five stones in the second column, disappears. She is ejected from the Holy Land and scattered as restless wanderers upon the earth. In the place of Israel, whom the Lowly Jesus came to woo but was rejected, the Bride of Christ appears!

Who is the bride of Christ? All to whom: 'God Appears' (300)! Everyone who sees the Lowly Jesus dying on the Cross and mourns this unjust death as if they lost their only son: to them God appears. We can view the 5 blue stones as the mother of Jesus witnessing his death on the Cross and imagine how 'the sword pierced her heart also'. But when we see the death of Jesus as the payment for our own sins, then just as Mary saw him as her Savior, we too are saved.

CONCLUSION OF THE MATTER

Are you convinced yet? Is not the 11-square the veritable scroll which the prophets of old ate, meaning meditated upon?

We will share one more mystery with you, dear reader. In hopes you will see the great treasure of holy truth that is etched upon this scroll.

Ezekiel was well aware of the holy origins of the scroll, and though whose hands it passed to reach him.

Listen to his words, speaking to the ruler of Tyre who was not the King of Tyre but the spirit behind the throne, none other than Lucifer himself:

“You were the model of perfection, full of wisdom and perfect in beauty, You were in Eden, the Garden of God; every precious stone adorned you; ... You were on the holy mount of God; you walked among the fiery stones; ... You were filled with violence, and you sinned. So I drove you in disgrace from the mount of God and I expelled you from among the fiery stones... I threw you to the earth.” (Ezekiel 28)

At one time the perfect wisdom of God was in the hands of the highest angel, the guardian cherub of God’s wisdom, ordained to walk among the fiery stones [the scroll].

But Lucifer sinned and was cast down to earth. What Ezekiel is saying here is when Satan fell he was cast out from among the spiritual fiery stones, and given a heart of stone from the earth.

In other words, when Lucifer fell – he forgot all the wisdom of God. His mind became merely earthly in perspective. The fiery stones, the scroll, told of the coming of the Messiah to crush his head. But Lucifer would not believe it. *‘His tongue licked the dirt’* – his heart and mind were filled with dirt – he had no other food – he could not see or hear any spiritual truth from God.

What Lucifer lost, the wisdom of God, was preserved and passed down to the saints of all generations who fear the LORD. Dear reader, the mystery of the scroll has passed down to you! Treasure it above all the precious stones that can be named. Like the touchstone of all prophecy that it is, may it lead you all truth, to the glory of God the Father, and God the Son, and God the Holy Spirit! Amen!

And if you can believe it, the Garden of Eden is not the only story, or prophecy contained in the scroll. The whole revelation of John is in the scroll. All prophecy that has ever been uttered is in the scroll.

Meditate upon it. Allow God to show you precious truths through it as we have just demonstrated. Do not forsake the Scriptures, the stars, or any other medium of God’s revelation. It is all manah for you.
