

PROPHECY IN THE STARS – BASIC LEVEL

SUMMARY

This paper is our attempt to explain the entire sweep of Prophecy in the Stars in a few pages. The stars proclaim that there is a conflict over who will rule the world: the Anti-God World System or the Hebrew Messiah. The entire contest is documented in the stars with the result that the anti-God forces are utterly destroyed and the Messiah is victorious in the end.

Prophecy in the Stars tells the exact same story as Prophecy in the Bible. We believe One God created Heaven and Earth and put the stars in the heavens as a witness of future events (Genesis 1:14-15 and Psalm 19:1-6). Knowledge in the stars was corrupted by Astrology. But enough truth in star names and constellation figures exists that we can reconstruct their original meaning. Since the beginning the constellations were prophetic pictures designed to help men recognize when seminal events in the spiritual conflict occurred.

THE ZODIAC

The axis of the Earth is tilted 23.4 degrees. This is what causes the Sun to rise from the East to its peak in the sky at noon at an angle less than 90° from the horizon. The path of the Sun against the stars is called the 'Ecliptic'. The stars on the Ecliptic also follow the same angle of ascent as the Sun, rising, peaking in the sky at midnight, then falling again at the same angle of descent. The Ecliptic is the red line in the diagram.

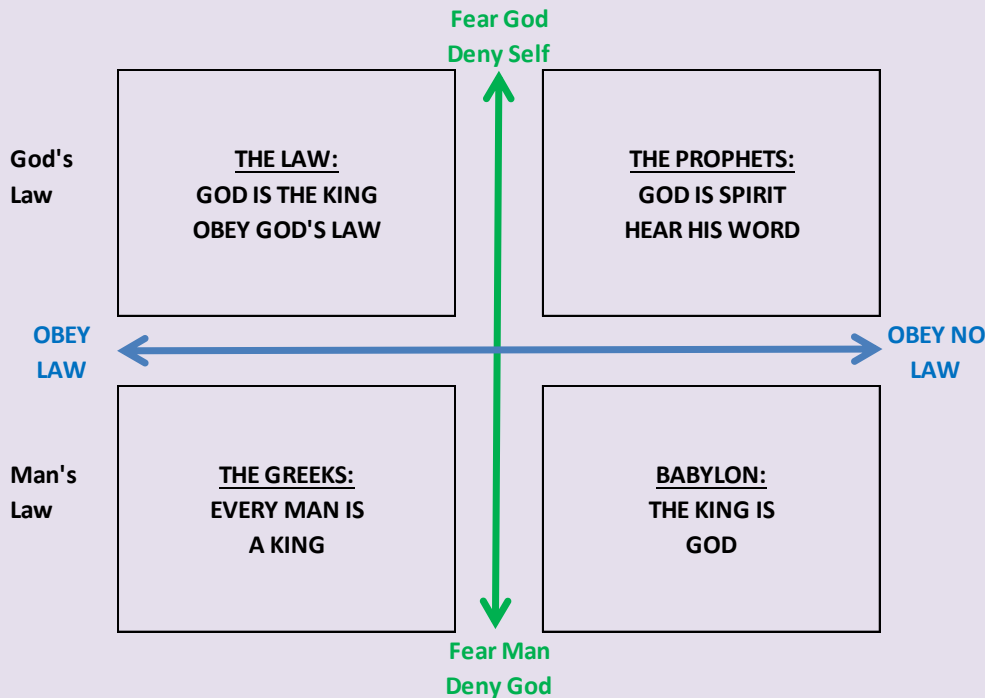

Constellations are groups of stars which form a collective drawing or figure usually composed by connecting the dots of the main stars in the group.

There are 12 constellations of the Zodiac which are located on the Ecliptic.

Each of the 12 signs on the Zodiac has three other constellations off the Zodiac linked to it. These are called 'decan signs'. Each of them has a picture and a prophetic story too.

THE CONFLICT FOR RULE OF EARTH

Prophecy is about a super-natural conflict between a Hebrew Messiah (representing the forces of Good) and the Anti-God World System (representing the forces of Evil). The conflict is to determine who will rule the world. It boils down to a choice between **God's Law or Man's Law**:

The Hebrew God demands obedience in two ways: **The Law** or **The Prophets**. By eating the forbidden fruit in the Garden of Eden Adam and Eve chose to be ruled by God's Law, also known as the Tree of the Knowledge of Good and Evil. However God provided another form of guidance for man in the Prophets. An example of a prophet is Moses who told Pharaoh if he did not let the Hebrews go into the desert to worship God would bring plagues on his land.

The Anti-God world system took two main forms: **The Greeks** and **The Babylonians**.

The Greeks believed in prophecy. In fact, they consulted the oracle at Delphi frequently for great matters of state and also for personal decisions. However, the Greeks rejected God's Law (the 10 commandments plus the Torah). The Greeks believed that every man using his own reason could decide what is best. Democracy is the belief reason is superior to revelation.

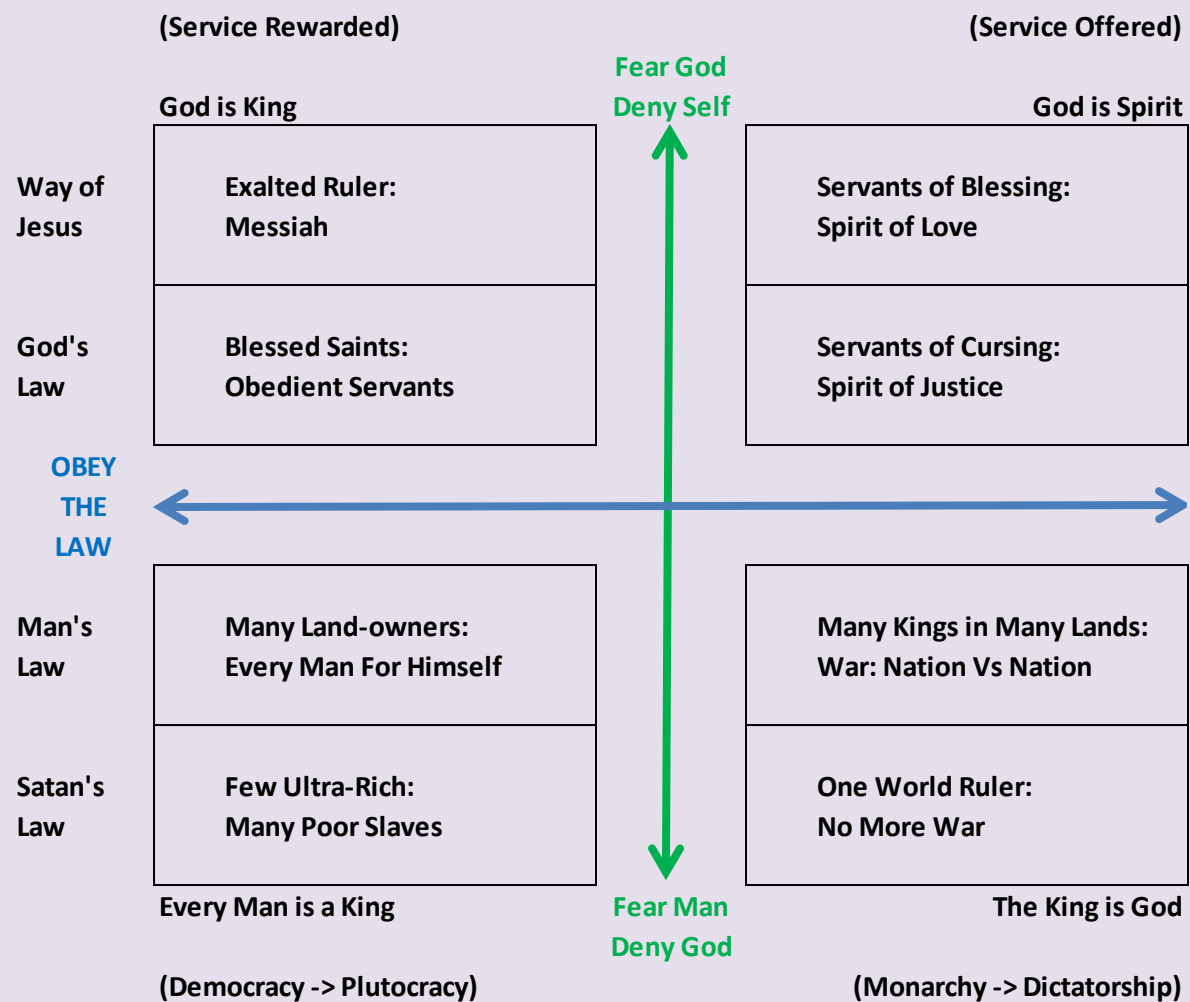

The Babylonians believed the common man was incapable of making wise decisions. They believed their king was a god. What he decided was the Law of the Land. By worshipping their king they rejected God's Law and his Prophets. By miraculous signs God vindicated his Prophets and his Law before the kings of Babylon (see the Book of Daniel). However, Babylon did not learn its lesson. Prophecy in the Stars says they never will: in the end they will be destroyed.

FAULT LINES IN THE CONFLICT

The diagram below shows more insight into each of the four corners in the conflict.

Through revelation in the Stars and in the Bible we learn that for God’s Son, the Messiah, there is a way higher than the Torah: the **Way of Jesus** – following the Spirit of Love for others.

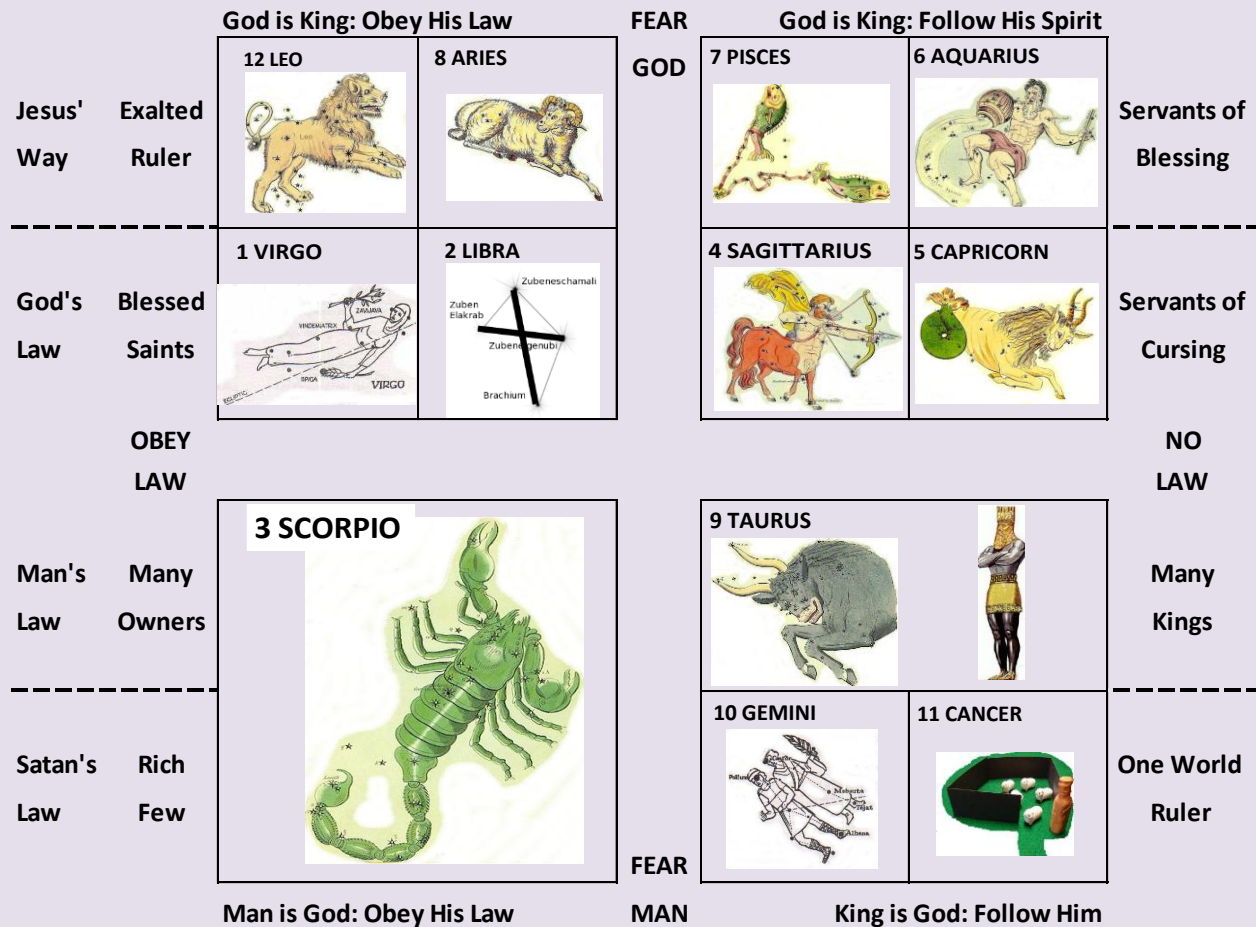

Through history men who belonged to the Anti-God World System have learned that all their civilizations fail, whether they are based on Democracy or on Monarchy. The reason they fail is they have no power to resist the **Way of Satan**: which is concentrates money and authority in fewer and fewer hands, then corrupt those wealthy powerful people until society crumbles.

In the Anti-God World System what starts as Democracy (rule of the people) always ends with Plutocracy (rule of the rich people); what starts as Monarchy (rule of kings over nations) ends with Dictatorship (rule of one man over all people with absolute authority). The failure of man’s attempts to rule himself are well documented by history. The only hope for man is God. Prophecy in the Stars tells us exactly how God will work everything out to save the world.

WHERE ARE WE IN PROPHECY TODAY?

The three red circles on the diagram represent where we are in prophecy today:

In the sign of Pisces almost all Christians in the world have been captured by Man’s Religion [the North Fish]. Only a few Free Christians [West Fish] serve in the power of the Holy Spirit.

In the sign of Taurus we are in the forehead of the Bull which is the place where the world nations contemplate how to keep world peace. As separate nations they can’t seem to resist fighting one another destructively (two world wars). Eventually world nations will surrender their sovereignty to the Antichrist [the South Horn] in exchange for world peace and food.

In the sign of Scorpio we are in the tail. The anti-God world system is following the Way of Satan: riches are being concentrated as never before into fewer hands. Even in rich nations like the United States there are tens of millions of poor, illiterate, and disenfranchised people who are suffering and oppressed. These conditions will lead to anarchy, the Time of the End, when nations will be filled with fighting and violence within and without. Just before the Rapture must come the martyrdom of Christians around the world [the Stinger of Death].

A HEART THAT HAS WISDOM

Jesus said to his apostles: 'And I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven.' (Matt. 16:19).

When a Christian binds himself to a religion on Earth, he binds the Holy Spirit in Heaven. The Holy Spirit (represented by the constellation Orion) is powerful enough to restrain the secret power of lawlessness that wants to install a one-world ruler (the sword of Orion bars the path of the tip of the South Horn of Taurus from reaching the Milky Way). But if the Holy Spirit is bound then there is no power to restrain lawlessness, the Christians will be martyred, the few remaining will be raptured, the Antichrist will be revealed, and the Great Tribulation will begin.

In the diagram Pisces is in the top row, the place of the Exalted Rulers. If Christians resist religion and devote themselves to humbly serving one another in love as Jesus commanded the Kingdom of God will be fruitful and the Time of the End will be resisted by the Holy Spirit. If Christians become religious and elevate some brothers to rule over the rest (priests and pastors) then the lordship of the Holy Spirit will be resisted and the Time of the End will come.

With the wisdom that comes from the Prophecy in the Stars we can understand why Jesus invited the rich young ruler to give his money to the poor: "Now when Jesus heard these things, he said unto him: 'Yet you lack one thing: sell all that you have, and distribute unto the poor, and you shall have treasure in heaven: and come, follow me'." (Luke 18:22)

We have reached a place in history where there are hundreds of millions of Christians. Many of the Christians today are wealthy by the world's standards but they are hoarding money for themselves not redistributing their wealth to the poorest Christians. The churches are making the situation worse because they are draining money away to pay professional ministers and to build magnificent cathedrals on the outskirts that only rich people with cars can attend. The pleas of the fatherless, the orphan, and the widow, has reached the ears of the LORD Almighty.

Christian: are you following the Way of Satan or the Way of Jesus? Are you a slave of religion or are you freely serving others in the power of the Holy Spirit? Whichever way you choose to invest your life will either expand the Kingdom of God in men's hearts or will quench it. Look at the Cross – see how Christ chose to invest his life. Now look at Jesus raised up and seated at the Father's right hand on the Throne of David in Heaven. God is not unjust – every sacrifice you make on Earth in His Name will be rewarded in Heaven.

We pray you will chose wisely.

A MIND THAT HAS WISDOM

There are 48 God inspired constellations in the heavens. We have illustrated the key 12 signs that lie in the Zodiac, which reside in the path of the Sun, in our diagrams.

Each constellation has a number associated with it: **Virgo (1)**, **Libra (2)**, and so on.

Let's count up the numbers of the signs and use the meanings of spiritual numbers to understand the wisdom of God.

In the top row there are four Exalted Rulers: **Leo (12)** + **Aries (8)** + **Pisces (7)** + **Aquarius (6)**. The sum of the numbers is **33** which means: **Truth (3)** is **Hidden (11)**. The High Priest of the Jews and the deputies of Rome conspired to kill Jesus, the King of the Jews. They thought their murderous act would be hidden from the eyes of God. However, the truth was hidden from their eyes! God raised Jesus from the dead then God judged the Nation of Israel [arrow of Sagittarius] and brought the legions of Titus to demolish Jerusalem in 70 AD.

Every day when rich people commute to office towers in important cities they believe their corporations are in firm control of the future of the world. However, the truth is hidden from their eyes. The ones who have the power to restrain wickedness from overflowing on earth are the obedient servants of Christ operating outside formal religion. These are the ones freely ministering truth and love in house churches and other informal settings. These are the ones praying in closets and giving sacrificially of their wealth and time as the LORD directs them.

On the second row there are four Servants of God: **Virgo (1)** + **Libra (2)** + **Sagittarius (4)** + **Capricorn (5)**. The sum of the numbers is **15** which means: **Covenant (15)**. Here are some great mysteries revealed. First in importance: due to the obedience of Mary (Virgo) to willingly carry the Christ child and the obedience of Christ to fully obey the Law of God and the Word of God even to the very limit of offering his life as atonement for sin upon the Cross (Libra) we have the New Covenant of salvation of man from sin that is proclaimed in the Gospel. The fishy tail of **Capricorn** represents the remnant of the Jews who followed Jesus, who became the apostles, who planted the first churches, and who opened the door for the Gentiles to believe.

However, that is not all. In spite of the disobedience of the Jewish people from Moses to Jesus, God will keep Covenant with the Jews based on his promises to their forefathers: Abraham, Isaac, and Jacob. According to Paul we are told **"Have they stumbled that they should fall? [Capricorn sinks into the Sea] God forbid but rather through their fall salvation is come to the Gentiles, to provoke them to jealousy. Now if the fall of them be the riches of the world, and the diminishing of them the riches of the Gentiles, how much more will be their fullness?"** (Romans 11:11-12) **"For I would not, brethren, that ye should be ignorant of this mystery, lest ye should be wise in your own conceits; that blindness in part is happened to Israel, until the**

fulness of the Gentiles be come in. And so **all Israel shall be saved**: as it is written, There shall come out of Zion the Deliverer, and shall turn away ungodliness from Jacob: For **this is my covenant unto them, when I shall take away their sins.**" (Romans 11:25-27)

In effect, God is saying 'I made them blind' so Israel would not accept their Messiah, so Christ would die on the Cross, so the world would have a Savior to be an offering to pay for sins. The Israelites were like actors in a play, some playing the heroic parts, some playing the villainous parts. God who wrote the script will pay all the actors! Good and bad! This is the special covenant which God has with Israel. **We will see them one day on the bright side of eternity.** With exception of those doomed to perdition: Judas Iscariot, Anti-Christ, and the False Prophet.

Isn't God's wisdom in the Stars marvellous? We hope these insights inspires you to read all the papers pertaining to each sign of the Zodiac on our website: biblenumbersforlife.com

On the third row of the Obey God – Obey Law diagram we find two signs: **Scorpio (3)** and **Taurus (9)**. The sum of the numbers is **Government (12)**. When Israel disobeyed God's Law, after they occupied the Promised Land the first time, God temporarily removed them their divine destiny to be the people who rule the world. Thus, the sinking of **Capricorn** into the Sea is also a Heavenly prophetic sign of the first diaspora of exile to Babylon. In the diagram we have placed a statue of Nebuchadnezzar into that square: it is not represented by any sign of the Zodiac. The meaning of that square was kept a mystery until Daniel revealed the message of Nebuchadnezzar's dream. The first exile of the Jews began the Age of the Gentiles which starting with the four world powers in the statue: Babylon (head of gold), Persia (torso and arms), Greece (waist) and Rome (legs of iron). Taurus begins at the 2nd dispersion of the Jews.

On the final and fourth row of the Obey God – Obey Law diagram we find three signs: **Scorpio (3)** + **Gemini (10)** plus **Cancer (12)**. The sum of the numbers is 25 which means: **Payment for Sin (25)**. In this row the Gentile rule of the world returns to where it started: to the Head of Gold, the ruler of the one-world government. Just as there were Jews in Nebuchadnezzar's court after the first exile, there will be Jews in Nebuchadnezzar's court in the Time of the End. In fact, the Anti-Christ will so esteem the Jews that he will enter into covenant with the False Prophet, who will be the Jewish High Priest in that day. Together they will plot the martyrdom of the world's Christians. **For this sin they will pay dearly as plagues will fall on Earth!** God will send the Two Witnesses [**Gemini**] to preach to the Jews to believe Jesus is their Messiah. The Two Witnesses will be killed [**Castor** and **Pollux** falling backwards] but after three days in the street their dead bodies will rise from the dead and they will ascend to Heaven. Everyone on Earth will see this miracle at the mid-point of the Tribulation. A remnant of the Jews will believe in Jesus, but they will be gathered into the corral of the False Prophet for slaughter [**Cancer**]. **After further heavenly plagues for this sin,** the Messiah [**Leo**] will return to Earth. He will defeat the anti-God armies and throw the Anti-Christ and False Prophet into hell.
