

Ezekiel 21 – SON OF MAN CLAP YOUR HANDS TOGETHER!

INTRO

On September 11 2001 the whole world saw a miracle of God. Two 110 story steel and concrete towers collapsed in 9 to 15 seconds – pulverized into dust in mid-air without release of heat – and fell so gently to the ground there was barely a seismic trace. See our page: [11 Sep 911](#) for more details.

There were many events that day for which science has no explanation. Our explanation is it was an act of God – a miracle of historic proportions – comparable to the parting of the Red Sea – another astounding miracle performed right before the eyes of thousands of witnesses.

The purpose of this paper is to show that **God foretold the destruction of the Two Towers on 911** to such a degree of detail we would be sure the miracle of Sep 11th was performed by Jehovah. That's right – the God of the Christians – Jesus Christ LORD Almighty – was the agent behind the disaster.

Sep 11 is a prophetic marker that the Age of Grace is closing and all nations are about to be punished by God and swept away to set the stage for a one world government of the Anti-Christ. Bible students who refuse to see God's hand in Sep 11 are denying all the prophecy which says He would do it.

Mid-air pulverization to dust

Ezekiel 21 contains **37 prophetic details** of the day of the attack on Sept 11 2001.

Believe the truth! All this was foretold. All this abided instructions spoken by the LORD to Ezekiel.

EZEKIEL 21 PROPHECIES**(v1)**

**Came the word of the LORD
unto me, saying**

'The word of the LORD' came to Ezekiel. But, when the prophecy of Ezekiel comes true, the 911 event is will bring the 'word of the LORD' fresh to many witnesses. They will look back and discern the hand of God in the supernatural events.

(v2)

**Son of man
set thy face against Jerusalem
and drop toward the sanctuary
and prophesy
against the land of Israel.**

God tells Ezekiel to "drop toward the sanctuary" – in other words to (1) **fall flat on his face**. A picture of what is coming. In the fulfillment God speaks to **Osama Bin Laden** – which means **Bin (Son of) Laden (Adam)**. "set thy face against Jerusalem" (2) **[stir up hatred for Zionism]** "drop toward the sanctuary" ['drop' – **lay low**; 'against' – **plan to fight**; 'the sanctuary' – America - protector of Israel, **New York** is the 'safe place' or (3) **'sanctuary' of 1.4 million Jews** (in 2001) "prophesy {in the name of God} against the land of Israel" [in our prophetic interpretation America is Ephraim – a tribe of Israel – Osama will (4) **declare holy war against America**.

Note: This does not mean God hates Jews. This means a prophetic time will come when a Son of Man will be moved to stir up hatred against Jews and declare jihad on America.

(v3)

**And say to the land of Israel
Thus says the LORD
Behold, I am against thee
and will draw forth my sword
out of his sheath
and will cut off from thee
the righteous and the wicked.**

August 1996 FATWAH – Declaration of Holy War on America

"Declaration of War against the **Americans Occupying the Land of the Two Holy Places**" {God sees Towers as temples}

February 1998 FATWAH – Declaration of World Jihad

This fatwah was a call to all Moslems to attack all pagans everywhere: "in accordance with the words of Almighty God, 'fight the pagans all together as they fight you all together,'"

Not all Osama said and did was sanctioned by Jehovah.

However, this paper proposes the 911 Attack was according to the will of God (but for reasons Osama could never appreciate). Osama wanted to usher in One World Islam. In the Last Days God will sweep away all nations, including Islam as well.

(v4)

Seeing then that I will cut off from thee
the righteous and the wicked
therefore shall my sword go forth
out of his sheath
against all flesh
from the south to the north

‘seeing then I will cut off from thee the righteous and the wicked’ – (5) **The victims of 911 will be of many nations and faiths – including Jews, Christians, Atheists and Moslems.** This is an astonishing prophecy of the Last Days when judgment will come to ALL nations. Victims of 911 include citizens of more than 90 countries. We know of 31 Moslems. There were many Jews, Christians, and Atheists.

‘**MY SWORD** will go forth out of his sheath against all flesh **FROM THE SOUTH TO THE NORTH**’. – The North Tower was struck by a plane first – this was not ‘My Sword’ – (6) **The South Tower fell first – pulverized to dust in mid-air** – this was the ‘Act of God’ – ‘My Sword’ – then **after that the North Tower fell – pulverized to dust in mid-air**. Thus, ‘My Sword’ went ‘**from the south to the north**’.

(v5)

That all flesh may know that
I the LORD have drawn forth my sword
out of his sheath
it shall not return any more.

In ancient warfare soldiers had two swords, one was a short dagger for close-in fighting, and the other was a great sword for slashing with mighty swings. Roman soldiers who could wield the ‘great swords’ were at the front line of the battle.

The Sword the LORD is removing from his sheath is the ‘Great Sword’ – the sword which flashes at the front line of the army – thus indicating the event of 911 is the tip of God’s spear – his war to reduce the power of all nations in the earth to dust.

‘**it shall not return any more**’ – the LORD has declared battle. He begins in America – so that everyone can see – the LORD is more powerful than the most powerful nation on earth. America is to heed this warning. If she tries to impose her power on all other nations this will be her grave.

Jeremiah 46 predicts that Pharaoh of Egypt will take his army to northern Syria and be smashed – his troops fleeing in terror. Egypt is another prophetic type of America – Ephraim was born in Egypt. Events are headed towards the defeat of America’s army in a battle in Northern Syria. America will not heed the warning of 911 – God is not protecting her any more.

(v6)

Sigh therefore
 thou son of man
 with the breaking of thy loins
 and with bitterness
 sigh before their eyes.

God says to Osama Bin Laden:

'sigh... the breaking of thy loins.. bitterness..'

911 was not a victory of Islamic Jihad, or Al-Queda. God says:
 'don't you dare gloat in the downfall of your enemies'.

911 is a message to the world – the same is coming to you. So
 'sigh..' **911 means all worldly treasures will be lost.**

(v7)

And it shall be
 when they say to thee
 Why do you sigh?
 that you will answer
 For the news
 because it comes:
 and every heart shall melt
 and all hands shall be feeble
 and every spirit shall faint
 and all knees shall be weak as water
 behold it comes
 and shall be brought to pass
 says the Lord GOD.

'Why do you sigh?... for the news'

(7) The 911 news story captivated the attention of the world.

It was so news-worthy because:

- (a) a jihadi group successfully attacked American soil;
- (b) massive destruction of three giant office towers;
- (c) scenes of war in a US city – explosions in office towers;
- (d) horror of victims leaping to their death to splatter like eggs;
- (e) impotency of military - they could not protect the Pentagon.

'every heart shall melt'

(8) Sympathy for the innocent victims & no one will feel safe

911 provoked the US to grant new powers to fight domestic terrorism and intensify airport security. The paranoia was so strong US agencies began monitoring email of all citizens.

'all hands shall be feeble'

(9) Brave firemen and rescuers died in vain.

'every spirit shall faint and all knees as weak as water'

(10) Civilians will be in horror and run for their lives.

'it shall be brought to pass' (11) 911 happened!

(v8)

**Came the word of the LORD
unto me, saying**

By this literary device, Scripture is now introducing a new subject matter; a new insight into the events already described. These verses will start un-packing the events.

(v9)

**Son of man
prophesy
and say
Thus says the LORD
A sword, a sword
is sharpened
also polished**

‘prophesy’ – pay attention: here comes astonishing details.

‘A SWORD, A SWORD’

(12) **God Calls for Two Planes**. The Hebrew word is ‘**כרוב**’ which means ‘cherub’. A cherub is a warrior angel that wields a sword: ‘**on the East side of the Garden of Eden cherubim and a flaming sword flashed back and forth guarding the way**’ (Gen. 3:24) A cherub is a flying war angel – and a sword is a steel weapon that flies through the air – perfect analogy for a plane.

‘is sharpened’

(13) **Aircraft will have thin edges to cut the wind**. Aircraft technology was perfected by the military for use as a weapon.

‘also polished’

(14) **Aircraft carry a punch of power**. Boeing 767 flies at 900 km/hour. Fuel capacity 63,200 litres (767-300). Fuel for a fire!

(v10)

**It is sharpened
to make a sore slaughter
it is polished
that it may glitter
should we then make mirth?
It condemns
the rod of my son
as every tree**

‘to make a sore slaughter’

(15) **Almost 3,000 people died in 911**.

‘that it might glitter’

(16) **At night the Towers glittered with lights – and the planes!**

‘should we make mirth?’

(17) **The Towers of 911 were famous for feasting**. On the top floors of Tower 1 were a club, a bar, and a restaurant. Both floors of restaurants were above the impact flames – cooked!

‘it condemns the rod of my son - every tree’

(18) **Two Swords (two planes) will cut down [two] trees / [two] towers!!** Not just WTC towers – all towers {temples} will fall.

(v11)

And he appointed it
to be polished
that it may be handled
this sword is sharpened
and it is polished
to give it
into the hand of the slayer

'he appointed it'

(19) All Covenant People Who Break Faith Are Punished. God told the Jews – if they persist in worship of idols – he will destroy them (Deut. 30:17-18). God told the church – if they persist in disobeying his commands – he will take away their lampstand (Rev. 2:5) and judge the earth with fire (2 Peter 3:7)

'that it may be handled'

(20) God will appoint a 'hand' – a person to execute the 911 attack – a villain appointed to do a dirty deed – is Osama B.L.

'into the hand of the slayer'

(21) The Hand will be soaked in blood that takes this sword. Osama resume: bombing US embassies in 1998 – 224 dead.

(v12)

Shriek and howl
son of man
for it shall be upon
my people
it shall be upon
all the princes of Israel
terrors by reason of the sword
shall be upon my people
strike therefore
upon thy thigh

'Shriek and howl son of man' Here is insight into the agony of Christ anew – his grief and utter sorrow. **'for it shall be upon my people'**. Jesus must destroy his own children – to be true to his word of warning to them against unfaithfulness.

'it shall be upon all the princes of Israel'

(19) The punishment falls on the US Presidents – that line of authority will end. Notice Scripture speaks of 'princes'. The US rejected royal authority and went with elected leaders.

'terrors by reason of the sword will be on my people'

(20) The United States is doomed to descend into violent acts of terrorism. Post 911 – expect to see this in America. How many have we seen! Oklahoma bombing, Boston bombing...

'strike therefore upon thy thigh'

(21) The Two Planes will hit the 'Thigh' the Upper Stories of the 'Legs' the Two Towers!!

(v13)

**Because it is a trial
and what if by evening
the staff scorn not?
it will be so
declares the Lord GOD**

'Because it is a trial' (a test to show God's super-power)

(22) The collapse of the towers cannot be explained by science.

Each of the Two Towers of the WTC was hugely overbuilt to sustain impact from being hit by planes. As we all saw the planes hit and the towers did not fall. Most of the aviation fuel instantly exploded outward from the Towers on impact. The fires that remained were not possibly hot enough to melt steel girders. Steel melts at 2500°F. Jet fuel burns at 800°F to 1500°F in ideal conditions. In 1975 there was a fire in Tower 1 that spread to six floors – it did not even corrupt the structural integrity of the building one bit. No steel framed building in history has ever fallen due to a fire. Its designed that way.

The official explanation is fire [911 Commission]. The Association of Architects and Engineers debunks that. They say it was controlled demolition. However, the seismic evidence shows no traces of the impacts of two buildings, each weighing 500,000 tons, hitting the ground.

The buildings fell so fast – without a delay of each floor hitting each floor – it is as if every screw, every bolt, every fastener detached in the same instant – and every molecule of steel, cement, wire, pipe, etc. also became detached within all the building materials – and all was rendered into powder – instantly – without release of heat.

'What if by evening the staff scorn not?'

(23) The Towers Both Fell Before The Sun Set. A 'staff' is a symbol of authority. When men build a tower to dizzying heights in the sky – it is an idol of jealousy – a temple to man's pride – which every moment it stands pours scorn on God – that he has no power to take it down. [For understanding on the mind of God regarding architecture – please see our paper [The Geometry of Spiritual Truth.](#)]

A tower is a wicked thing in the mind of God – yet how many churches have pointed spires? Verily proclaiming the repugnance and sin of professional clergy to the heavens!

(v.14)

Thou therefore**son of man****prophecy****smite thine hands together****let the sword strike twice****even a third time****the sword of the slain****it is the sword****of the great manslayers****which enters their privates****'Smite thy hands together'****(24) The Planes Will Fly Into Targets From Opposite Directions.**

A Sword (Plane) struck the North Tower from the North. A Sword (Plane) struck the South Tower from the South. Only 16 minutes and 31 seconds apart – practically simultaneously.

(25) Each Plane Had 5 Hijackers – Same as the Fingers on a Hand! Picture the pilots with their hands on the flight sticks!**'Let the sword strike twice, even a third time!'****(26) Two Planes Hit Two Towers, A Third Plane Hit Pentagon.**

There is a double entendre here: because 'My Sword' which is the supernatural power of God – also struck WTC 7 – and pulverised it to dust (the third such building to suffer so) – without a plane hitting the building.

'the sword of the slain – it is the sword of the manslayers'**(27) A Plane (Sword) Hit the Great Manslayer (US Military).**

How many innocent lives has the US Military 'slain' in their vain wars? Just to mention victims of aircraft bombs – hundreds of thousands in North Vietnam and Cambodia in carpet bombings! With napalm! Warning to the US Military: Beware the Sword of the LORD!

'which enters their privates'**(28) The US Military Was Hit in Their Private Place.** Where did

the US Military hatch their schemes to slay innocent people? In the security and privacy of Washington DC! **The LORD says** to you: I Am everywhere – I AM hear everything – no place you can hide from me is safe! **Why don't you fear me?**

History shows the US Military did not take this warning from God. Where did the aircraft go that hit the Pentagon? The next day there was a great gouge in the building. The aircraft turned to dust and blew away. The US Military should have taken this as a warning. It did not and immediately rampaged all over Afghanistan and Iraq killing thousands more innocent people – heaping the pile of its sin even higher! **Why?**

(v15)

To that end**may faint the hearts****be multiplied****the ruins****against all their gates****I have set the point****of the sword****oh! it is like lightening****it is grasped****for massacre****'Be multiplied the ruins'**

(29) All Towers in the WTC Complex Were Ruined. WTC 1,2,3,7 destroyed totally. WTC 4,5,6 major damage. No damage to neighboring buildings at all –except one gash on the Bankers Trust building. If the Towers fell in a conventional way – the rubble heap would have been 12 stories high – with damage to nearby buildings. It was not. Miracle of God.

'Against All their Gates I Have Set the Point of the Sword'

This was not fulfilled at 911. The LORD is saying – all the towers in America will go down. In the mind of God a Temple is a 'Gate' that opens the heart in awe - to idol worship.

'Oh! It is Like Lightening!'**(30) The Smiting of God Will Come Out of the Sky!****(31) Flashes of Light in the Heavens – Explosion of Jet Fuel!****'It is Grasped for Massacre'**

Here the LORD is turning the phrase. America has grasped for massacre weapons of mass destruction – bombing civilians – lately bombing from drones. America possesses enormous firepower from the air. Doesn't it dawn on America that God might punish them in accordance with their own sin? A terrible swift sword slaying from the sky? **The LORD says: 'Why don't you fear me? You have seen my power at 911. When it comes – don't complain - I warned you!**

(v.16)

Slash one way then the other**the right hand****or the left****however thy face is set****'Slash one way then the other'****(32) At the Last Minute Planes Change Direction to Attack.****'the right hand or the left'**

(33) Both Tower Planes Diverted Their Flight Paths. Flight 11 heading NW tacked S **then at the last minute** SW to hit the North Tower. Flight 175 headed SW then tacked S then **at the last minute reversed** 330° to fly NNE to hit Tower 2.

(v.17)

**I will also strike
my hands together
and I will cause
my fury to rest
I the LORD
have spoken it**

'I will also strike'

(34) There was a Second Target Zone: Washington. One plane aimed at the Pentagon – the other aimed at the White House.

'My Hands Together'

(35) Two Hands – Two Planes. Flight 77 and Flight 93.

(36) Five Fingers (Hijackers) on Flight 77 and Four Fingers (Hijackers) plus One Finger (Heros) on Flight 93. Flight 77 hit its target – the Pentagon. Flight 93 was forced to crash when a small band of heros gave the 'One Finger Salute' and rallied, '**my hands together**', to overpower take the cockpit. The plane crashed and did not reach its target – Camp David or the White House or Congress.

'I will Cause my Fury to Rest'

(37) America Denied the Miracle of God.

An act of contrition for sin might have caused the LORD to control his wrath. However, according to the prophecy of Ezekiel – God will have to '**cause my fury to rest**'.

The next day Americans went back to their self-indulgent lives of work and play. The US Military began rolling out plans for invasion of countries that harbored Al-Queda. The City of New York picked up the garbage and swept up the dust.

No prophet has proclaimed this miracle of God. Anywhere. Any time. Till now. So far as I have heard.

911 will be reckoned historically as significant a miracle in the history of the world as the crossing of the Red Sea. Except in this case the Israelites are headed in the wrong direction – back to Egypt – to harden their hearts to the miraculous signs of Jehovah – take no heed – and die in Egypt.

WORD TO THE WISE

Translations of Hebrew differ in the various versions of the Bible. The translation below is my translation and the numerical value of all the Hebrew letters – based on the Textus Receptus. I have included the meanings of the spiritual numbers that match up to the gematria of the Hebrew words. This section is for the very advanced student – one who appreciates the value of the information in the hidden mana of Scripture – the spiritual meaning of numbers. If you don't believe numbers in the Bible have spiritual meanings – ignore this section. You don't need to believe in spiritual numbers to understand Ezekiel's prophecy. We provide it here in an appendix for people so inclined.

The number in the top left corner is the number of the verse in the Book of Ezekiel.
