

BIBLE PROPHECY OF GREAT BRITAIN – IN THE BOOK OF AMOS

INTRO

All the tribes of Israel in the desert camp are figurative of nations who ascend to world power - each in turn - in the exact order of the desert march in the Book of Numbers for the tribes of Israel¹.

The tribe of **Manasseh** represents **Great Britain** - who in her heyday possessed a vast commonwealth of nations. Her navy ruled the waves (carrying the Trident). Her self-identity is the woman **Britannia** - wreathed in her flag - victorious.

Britannia

The **British Empire** at its peak included all of Canada, the Northern states of the United States plus the Eastern seaboard of the United States; India and Pakistan; Australia; Libya, Egypt, Sudan, Nigeria, plus most of East and South Africa. The **British Empire** was the foremost global power from 1815 to 1914 and occupied a quarter of the world's land mass. Britain came late to the party, joining in colonization after she saw the success of Spain and Portugal in the Americas.

The British Empire (in red)

Manasseh also possessed the largest land mass among the Israelite tribes – and the most desirable scenery to enjoy.

¹ Please see Page 4 PROPHECY on our website biblenumbersforlife.com for a map of the desert camp of the tribes of Israel. When Moses wrote: *'When the most High divided to the nations their inheritance, when he separated the sons of Adam, he set the bounds of the people according to the number of the children of Israel.'* (Deut. 32:8) we take that very literally to mean the Israelite tribes in the desert camp are prophetic of secular nations that will each in turn according to the order of the desert march take their place as world powers. The secular nations are not Israelites! The Israelites are prophetic of secular nations. We base the interpretation of who the prophetic fulfillments are based on clues in Numbers ch. 1 to 4 and secular history as we already know it.

HISTORY OF MANASSEH

The exploits of **Great Britain** in the conquest of animistic tribes in foreign lands is mirrored in the fame of **Manasseh** in conquering the **Amorite** warriors of **Gilead** and **Bashan**.

“And the children of **Makir** the son of **Manasseh** went to **Gilead**, and took it, and dispossessed the **Amorite** who were in it.” (Num. 32:39)

“**Manasseh’s** firstborn: **Makir** was the ancestor of the **Gileadites**, who received **Gilead** and **Bashan** because the **Makirites** were great soldiers.” (Josh. 17:1)

The **Amorites** occupied the East bank of the Jordan from Mount Hermon to the border with Gad plus the wilderness of Judah. The **Amorites** were tall, swift, skilled and brave warriors. The **Amorites** are prophetic of all the animistic warlike tribes who were the original occupants of the British Isles, Americas, and Africa when explorers first reached them.

Amorite Warrior (Iroquois Nation)

The **Amorites** were the most fearsome warriors of all the Canaanite tribes. When the **Amorites** were defeated by **Makir** the inhabitants of Canaan lost heart – Israel had penetrated their strongest line of defense. As Rahab told the spies:

“For we have heard how the LORD dried up the water of the Red sea for you, when ye came out of Egypt; and what ye did unto the two kings of the **Amorites**, that were on the other side Jordan, Sihon and Og, whom ye utterly destroyed. And as soon as we had heard *this*, our hearts melted, neither did there remain any more courage in any man, because of you: for the LORD your God, he is God in heaven above, and in earth beneath.” (Josh. 2:10-11)

The territory of **Manasseh** was famous for two things: **bulls** and **oaks**. Both of these became symbols of **Great Britain**. From the **oak** of England came her warships. Her soldiers felled the **Amorite** who was: “**was strong as the oaks**” (2:9)

But did **Manasseh** defeat the **Amorites**? The LORD says “**I drove the Amorite out.**” (Amos 2:9) Here is the heart of the downfall of **Great Britain** – she is **Britannia**! So full of self-glory she cannot recognize her need for God. Rahab and the Canaanites recognized their defeat was because of God’s hand (see quote above) – but **Manasseh** would grow proud.

GEOGRAPHY OF ISRAELITE INHERITANCES

The geography of Israel speaks prophetically of world history. **Manasseh** possessed land both on the **East** and **West** side of the Jordan. **Bashan** is a pastoral country with livestock, vineyards and fishing villages – **Bashan** represents the **British Isles**. The hilly marginal land called **Gilead** – represents **British** colonies to **1917**. **West Manasseh** includes the very fertile land of the plains of Sharon by the sea (Isa 35:1-2) and the verdant valley of Jezreel. **West Manasseh** is symbolic of the blossoming of **British Commonwealth** nations **1918-present** under the leadership of **America (Ephraim)**.

Prophetic Nations in the Last Days:

- Damascus** – Eastern Orthodox Religion
- Reuben** – European States (to 1917)
- Gad** – Colonies of European States (to 1917)
- Simeon** – Catholic Kings & Crusaders
- Ammonites** – Catholic Church
- Moabites** – Protestant Church [has clergy]
- Judah** – Diaspora Jews [outside Palestine]
- Zion** – Heavenly Jerusalem – Christ on Throne
- Gilead** – British Colonies (to 1917)
- East Manasseh - Bashan** – Brit. Isles (to 1917)
- West Manasseh** – Br. Commonwealth (1918+)
- Ephraim** – United States of America (1918+)
- Philistines** – Apostate Jews / Atheism
- Asher** – World's Super-Wealthy Elite
- Tyre** – World Corporations & Banks
- Benjamin** – Modern State of Israel
- Assyria** – Modern State of Russia
- Edom** – Wealthy Arab Rulers (westernized)
- Issachar & Zebulun** – Unknown
- Babylon** – World Islamic Caliphate
- Naphtali** – Man of Lawlessness
- Dan** – False Prophet

It is fascinating how God looks at nations. Some nations are secular states (e.g. **Manasseh** = UK) and some nations are spiritual communities (e.g. **Ammon** = Catholic Church). They can overlap on the same land. **Reuben** (European States) lies on the land of **Ammon** (Catholic Church). Catholics prior to 1917 were numerous in Europe. **Gad** (European Colonies) also lies on land that belonged to **Ammon**. In Central and South America we see a Catholic stronghold. **Gilead** (UK Colonies) and **Manasseh** (UK) lie on **Amorite** land (Animist). This suggests a pagan influence in those places up to 1917. What does 1917 have to do with the Jordan? Balfour Declaration – Jews given permission to enter the Holy Land! The land mass West of Jordan is much larger than the land to the East because more prophecy is fulfilled from 1918 on.

WHEN AMOS PREACHED – WAS HIS MESSAGE TO EPHRAIM, MANASSEH, OR BOTH?

The word 'Ephraim' occurs 37 times in the Book of Hosea – so we know his prophecies apply to the **United States**. 'Ephraim' never occurs in Amos. But neither does 'Manasseh'. So who was Amos speaking to?

Amos 1 – Damascus, Gaza [Philistines], Tyre, Edom, Ammon

Amos 2 – Moab, Judah, Israel

Amos 3 - US + UK + Colonies: "Hear this word... the whole family I brought up out of Egypt."

Amos 4 to 9 – Great Britain [Bashan is East Manasseh]:

"Hear this word you cows of Bashan on the mountain of Samaria you women who oppress the poor and crush the needy and say to your husbands 'Bring us some drinks!' "(Amos 4:1)

"..on the mountains of Samaria" tells us Amos is speaking of the time after 1917 when **Great Britain** is under the leadership of **America** – culturally and economically. Geographically **Samaria** included **Ephraim** and **West Manasseh**.

Samaria speaks prophetically of wealth concentration and fleshly decadence. **Samaria** is also associated with apostasy of the people of God and abuse of power at the expense of the common people. (See Hosea for a full description)

"Hear this word you cows.." Why does Amos address his prophecy to the **Cows** of **Bashan**? The Bull is the symbol of a king – a male ruler of a Gentile nation. A **Cow** is symbolic of a Gentile people the Bull rules. Not in the case of **Great Britain**. In her case the **Cow** rules the Bulls! The Queens of Great Britain have ruled with much success: Elizabeth I – defeated the Spanish armada; Victoria – led the Empire to its height; Elizabeth II – saw victory in WWII. **Britannia** is stylized as a warrior woman.

Therefore in the context of Amos 4 the glory of the **British Empire** is past. The military might of the **British** is a memory. The **British** people have become a **Cow**, a Gentile people submissive to the leadership of a stronger nation.

"..who oppress the poor and crush the needy". Does that fit? The most recent 2015 election in **Great Britain** was won by the party (Conservatives) who vowed to reduce social assistance payments. This comes at a time when teachers in **Great Britain** report more and more children coming to school hungry.

"who say to your husbands: 'Bring us some drinks!'" A two-fold application: first, **Great Britain** is destined to become a kingdom of staggering drunken sots; second, women will turn men into servants and thoroughly emasculate them.

The militant nationalist **Britannia** transforms into a militant feminist! This has a Scriptural precedent in the history of **Manasseh**. The daughters of **Zelophehad** who requested from Moses a ruling to grant inheritance rights equal to sons were of the tribe of **Manasseh** (Numbers 27) - the grand-daughters of **Makir** no less! And this is precisely what happened historically. The first nation in the world to grant women the right to vote was a colony (daughter) of **Great Britain**: New Zealand in 1893. **Britain** followed in 1918. United States in 1919. Only our wise God knows what the line is between justice for women and oppression for women. God granted the daughters of **Zelophehad** inheritance rights equal to sons. God is not unjust and he does care for the rights of women. However, what Amos predicts is what began as a campaign for justice for women will ultimately end up in the subordination of men. As we will see this will be one cause of the downfall of the nation – men will not fight for a country that makes them slaves to women.

OTHER INTERNAL EVIDENCE INDICATING AMOS PROPHESED TO GREAT BRITAIN

First, the language in Amos 4-9 seems more directed at a nation with a heritage of royal power as we would expect of the **British Isles** – than a republic like **America**. For example:

“You have lifted up the shrine [Anglican Church] of your king – the pedestal of your idols [Britannia] – the star of your gods [British elites] – which you made for yourselves [Anglican Church separated from Rome in 1534].” (Amos 5:26)

The **Anglican Church** is careful to bury all the kings and queens of England inside its cathedrals and thereby make those houses of worship into a ‘shrine of your king’.

Another reference to royal heritage in Amos:

“Surely the eyes of the LORD are on the sinful kingdom.” (Amos 9:8)

In the prophecies of Isaiah regarding **Ephraim** and Hosea regarding Israel (but directed at **Ephraim**) we don’t see references to royalty. Instead we hear of God’s judgment of leaders (Hosea 7:16) and kings and princes the people appoint: “They set up kings without my consent; they choose princes without my approval” (Hosea 8:4).

Second, there is a geographic reference of people movements that would fit a nation that is tall and narrow, an island in the sea, and have its population center (London) in the East:

“Men will stagger from sea to sea and wander from North to East searching for the word of the LORD but not find it” (Amos 8:12)

Third, other textual hints point to the **British Isles**:

“You lie on beds inlaid with ivory” (Amos 6:4)

India was a colony of **Great Britain** – and a famous source of ivory. **Great Britain** laid on **India** hard – oppressed her, took her resources, and even shot into peaceful public assemblies! In 1919 at the Jallianwala Bagh massacre in Amritsar - British police opened fire on innocent unarmed people and killed 1,000 Sikhs, Hindus, and Moslems. Why does Amos bring the harsh British rule of India to mind? **Great Britain** – God’s judgment is coming around to you!

“You dine on choice lambs and fattened calves” (Amos 6:4)

In **Great Britain** there is continual appetite for lamb. In **America** this meat is practically unknown.

“..but you do not grieve over the ruin of **Joseph**” (Amos 6:7)

America has many Christians with a testimony of a living faith. Social media is full of American Christians bemoaning the demise of the ‘One Nation Under God’ that they once knew. In contrast – in the **British Isles** Christianity is declining rapidly – but few care. At best Christianity is seen as a feudal religious tradition whose purpose is over and done. Go to the BBC website. You will find links to cars, culture, business and everything under the sun. No link to matters of faith.

Amos puts a fine point on his prophecy by mentioning **Joseph**. **Manasseh** was the son of **Joseph** – and like his father. **Joseph** began his walk with childlike faith but ended up as a cruel overseer of slaves. The ruin of **Joseph** indeed!

BRITAIN IS GREAT WITH SIN

There is not space in this paper to address everything the Book of Amos says about God's dealings with **Great Britain**. When Amos says 'Israel' in chapter 2 we assume is speaking to 'Bashan in the mount of Samaria'. The accusations fit.

THE SEVEN SINS

"Thus says the LORD; for three transgressions of Israel, and for four, I will not turn away"

In other words: God is no longer 'looking the other way' – the time for judgement of sin has come.

(Sin One) **"..because they sold the righteous for silver.."**

Rather than each family of Manasseh possessing a piece of land – a strict requirement of the Law of Moses – the families of Manasseh were dispossessed – a la Naboth's vineyard - and forced to rely on selling their skills and labor to overlords in return for salaries. Prophetic fulfillment today: the younger generation cannot afford to buy homes – the cost is out of reach. The United Kingdom housing market has reached astronomic levels with rents following suit.

(Sin Two) **"..and the poor for a pair of shoes"** (Amos 2:6)

The East India Company was one of the first global corporations (founded in 1600) who perfected the art of paying low prices for colonial products. Company officials or 'nabobs' made vast fortunes on the backs of the poor. The Indian farmers toiled in the sun growing cotton with animal power. The British imported the cotton – manufactured it into textiles – then sold it back to India at a premium. Only when Ghandi demonstrated to the Indian people the virtue of home spinning their cotton into clothes was the bondage of India to its rapacious British masters broken. {Sadly abuse of Indian farmers by international corporations continues today in India – suicide of famers is endemic}

(Sin Three) **"They trample on the heads of the poor as the dust of the ground.."**

According to the Guardian poverty levels in Great Britain have doubled in the past 30 years.² This occurred during a time when the British economy doubled in size. The rich are getting richer and the poor are getting poorer. One in three British households live in homes without adequate heat and lack the 'basic necessities of life'. Twelve million people in Britain are too poor to engage in social activities such as entertaining friends or attending family events. Six million people in Britain do not possess adequate clothing.

(Sin Four) **"..and turn aside the way of the meek"**

What is the 'way of the meek'? Is this not the teaching of Jesus in the Beatitudes? Who said '**Blessed are the poor..; Blessed are the meek..; Blessed are those who hunger and thirst for righteousness..; Blessed are the merciful..; Blessed are the pure in heart.**' (Matt. 5:3-12) In the most recent 2015 election in Great Britain the Labour Party campaigned on a plan to increase support of the poor – while the Conservative Party campaigned to do exactly the opposite to restrict support for the poor. What was the will of the people of Great Britain? The Conservatives gained 28 seats and Labor lost 24 seats. It was a complete collapse of the social contract to support the poor among us.

² <http://www.theguardian.com/society/2014/jun/19/poverty-hits-twice-as-many-british-households>

(Sin Five) “..and a man and his father will go into the same maid, to profane my holy name.” (Amos 2:7)

The Hebrew word translated ‘maid’ in the text is ‘נערה’ (na’arah) which according to Strong’s concordance can also mean ‘girl, damsel, little girl, young woman, marriageable young woman, concubine, prostitute, maid, female attendant, female servant’. Therefore we could look at a number of possible interpretations: (1) child molestation (2) prostitution (3) sexual abuse of servant girls. In the context of verse 7 – the application is sexual abuse by those in authority.

Great Britain is currently reeling from revelations that Scotland Yard has for years refused to respond to complaints of pedophilia filed against the highest elected officials and dignitaries in the land³. This has shocked even the most laissez-faire liberals in society. It has now come to light that no less than five pedophilia rings were operating in the British Parliament during the 1970’s and 1980’s.⁴

(Sin Six) “And they lay themselves down upon clothes laid to pledge by every altar..”

The real stench of all these sins in **Great Britain** is it claims to be a Christian country.⁵ The evidence stands to the contrary – see sins one through five. The church is silent in responding to these moral ills - “they lay themselves down.. by every altar”. Why the stiff upper lip? The perpetrators are the main supporters and pillars of the Anglican Church.

What are “clothes laid to pledge”? Here is a point that is often missed by pulpit pounding clergy of all stripes – who assert the duty of parishoners to tithe their income to the Church. The people that the Church is preying upon to supply money are working people deep in debt or “pledge”. What a perversion of the gospel it is to turn the ministry of Jesus to set the captives free into a yoke of perpetual indebtedness to the Church!

(Sin Seven) “..and they drink the wine of the condemned in the house of their god.” (Amos 2:8)

And so all this hypocrisy of Christians trapped in feudal religious systems has the result that those outside the church – the ones Jesus died to save – are stumbled from believing the gospel. The Church teaches it in order to live as a Christian a follower of Jesus must forsake 10% or more of their gross income. Who is going to accept a gospel like that?

And so the blood of unbelievers – “wine of the condemned” – is swallowed by the feudal Church system. The Church is found guilty of mass murder! God has no part in this. And right up front in the Book of Amos we have the crystal clear truth – that those who participate in the feudal Church system – the one that is over-ruled by religious lords (priests, bishops, etc.) - are worshipping in a temple of another god – “the house of their god”.

Dear reader – let’s pause to consider all this. We are asserting that unknowing to Amos, God uses his words to perfectly describe a nation and a people who would exist thousands of years after Amos and who would live on an island Amos did not even know existed. This ought to put the fear of God into everyone living in **Great Britain** who reads these words. God wrote all this down so that when the fulfillment of these things took place the ones who paid attention to prophecy would understand God’s judgment of **Great Britain** is right at the door.

THE VISION OF AMOS

A summary of the rest of the vision of Amos for **Great Britain**:

Amos 4: The Judgments of God on the Land

Famine (v.6) Drought in some places, flood in others (v.7) mildew, blight, pests that destroy crops (v.9) plagues, war (v.10) fiery destruction of cities (v.11-12)

Amos 5: The Judgments of God on the People

Scarcity of men willing to fight for the nation (v.3), dilution of the ethnic stock of Great Britain with foreigners (v.8), displacement of the country's aristocratic elites by foreigners (v.11), corruption of power to the point the people live in fear of their own government (v.13), excessive religious control that will extinguish the Christian faith completely (v.16,17,27)

Amos 6: The Judgments of God on the Saints

Christians will be socially exiled (v.7) and physically in danger (v.9). The faith will be oppressed to the point it will go underground (v.10), there will be no publication of the gospel of Jesus Christ (v.12), and there will be a nation of people in the land dedicated to oppressing Christians (v.14)

Amos 7: The Death of the King and the Royal Line – Nation Taken Over By a Foreign People

The King will die by the sword (v.11) **Great Britain** will cease to be – its people will 'go into exile' away from their native land (v.11) the wife of the King will be sold as a prostitute in the city (v.17) the royal line of descendants – male and female - will die by the sword (v.17) the land will be divided up by the conquerors and presumably reassigned to chiefs and citizens of the **New Nation** (v.17) the newcomers will be 'unclean' (not obeying the Law of Moses)

Amos 8: New Nation Will Not Tolerate Christianity

Christianity will disappear – there will be a famine of hearing the Word of God (v.11). Finally, even the remnant of the feudal religion will cease to exist and will never recover (v.12)

Amos 9: New Nation Will Exterminate the British Elite

God will demolish all rule and authority in the land (v.1a) and leaders of the people will be no more (v.1b). Leaders will be chased out of office and pursued to their death (v.2-4) they will die by decapitation (v.1) **Great Britain** will be destroyed and cease to be a nation (v.8) God will make sure that everyone who doubted the prophecy of Amos – all those who believed in their hearts that **Great Britain** was out of reach of the hand of God's judgment – will die (v.10).

Rebirth of the Inheritance of Manasseh

God says "I will bring back my exiled people Israel – they will rebuild the ruined cities and live in them... I will plant Israel in their own land, never again to be uprooted from the land I have given them." (Amos 9:14) Our interpretation is during the Millennium the British Isles will be repopulated with God-fearing people. We presume these are the British people abroad who obey the Lord's messengers during the Great Tribulation and do not take the Mark of the Beast.

THE BASKET OF FRUIT IS RIPE – ALL THESE EVENTS ARE CLOSE AT HAND

At the core of the message of Amos is the warning his prophecy will not be fulfilled in a distant future time:

“Does a Lion roar in the thicket if he has no prey? The Lion has roared – who will not fear? The Sovereign LORD has spoken – who can but prophesy?” (Amos 3:4-8)

Of prime importance is to understand the roaring Lion is the King of Babylon. Do not miss this! Babylon in the Last Days is the Islamic Caliphate. The Islamic Caliphate exists today in Syria and Iraq. Please peruse our prophetic interpretation of Jeremiah on Page 4 PROPHECY on our website. The prophetic animal associated with Babylon is the Lion – the King of the Beasts. **Great Britain** took upon itself the symbol of the Lion. The proper symbol of Manasseh is a strong arm clutching (Amorite) arrows (Gen.49:24). God tells the Cow of **Bashan** in the Last Days that the real Lion shows up.

“What do you see, Amos?” he asked. “A basket of ripe fruit” I answered. Then the LORD said to me, the time is ripe for my people Israel; I will spare them no longer.” (Amos 8:1-2)

What ought to be disturbing to every Bible believer is the evidence suggests the prophecies of Amos of the sins of Israel are all being fulfilled before our eyes. What do we see? A basket of ‘ripe fruit’. Gap pride parades and applause for it!

In addition to the seven sins enumerated on page 6 and page 7 which describe events occurring even as recently as the past year or two, all the other prophecies in Amos being fulfilled. A sampling of additional prophecies coming true:

(FIRST) Cultural Tidal Wave

God says twice in Amos:

“..who calls the waters of the sea and pours them out over the face of the land – the LORD is his name.” (Amos 5:8 9:6)

This is the mocking of God. **Great Britain** prided itself in having the world’s strongest navy – in being the rulers of the sea! God says to **Britannia** – I am the ruler of the sea – look ‘I am pouring the sea out upon the land’. This will be fulfilled when foreigners from Gentile lands – even lands **Great Britain** conquered – will flow into **Great Britain**.

The percentage of non-UK born people in England and Wales has risen from 4% in 1951 to 13% in 2011. This will continue to increase. During the period of 2001 to 2011 70% of the population increase in **Great Britain** was due to foreign-born immigration. The majority of foreigners come from former colonies: Pakistan, India, Hong Kong, etc.

If one were to soak land with literal sea water it would kill the life of the land – it would no longer grow crops. God is saying in unmistakable terms: ‘Don’t think you have gotten away with sin – I have judged it – I will punish you for it.’ **Great Britain** abused the peoples of its colonies. The peoples of the colonies will ultimately abuse **Great Britain**.⁶

(SECOND) Vacant Content of Christian Worship

God bemoans the unspiritual nature of religious assemblies in Amos:

⁶ Many peoples from foreign lands work hard, pay taxes, and make a contribution to society. In a way we cannot see the spiritual atmosphere of the Island Kingdom has changed. The shield of Christian faith that protects Great Britain is eroding over time.

“I hate, I despise your religious feasts; I cannot stand your assemblies.” (Amos 5:21) “Away with the noise of your songs! I will not listen to the music of your harps.” (Amos 5:23) “You strum away on harps like David and improvise on musical instruments.” (Amos 6:5)

The point is this – Christ sits at the right hand of God in the heavens – he is surrounded by innumerable angel choirs continually. God does not need songs, per se. The music to God’s ears that he craves is to hear the joyful sound of the captives set free and the yoke lifted from the oppressed (whether from the burden of sin or the burden of social injustice or the burden of ecclesiastical authority):

“But let justice roll on like a river, righteousness like a never-failing stream.” (Amos 5:24)

Yet when we survey Church life in Great Britain today: we see a roaring industry in the manufacture of songs, we see hours of time in meetings devoted to repetitious choruses, but most importantly we do not see the thing God wants to see: grieving for the ruin of Joseph. These proud Brits go to their churches and sit meekly under the lordship of professional priests dedicated to: honoring the royal family of Great Britain – not the King of Heaven; perpetuating the status of the aristocratic elite – not feeding and clothing the poor; etc. The widow, the orphan, and the rejected Man of Galilee sit down like Lazarus at the gate of the rich and wealthy and wait to die because no one cares for their soul.

(THIRD) The Gender of Succession to the Throne

Amos says to Jeroboam the King (prophetic of the judgment of the Royal Family of Great Britain)

“..your sons and daughters will fall by the sword” (Amos 7:17)

Why does Amos say ‘your sons and daughters’? In ancient Israel only sons could rule on the throne.⁷ This is not the case in **Great Britain** – where numerous Queens have ruled the kingdom. Therefore, in order to end the lineage of the royal family of **Great Britain** it is necessary to put the sons *and* the daughters to the sword. Furthermore, **Great Britain** just changed the law of succession to permit daughters equal rights with sons. Under the historic right of succession daughters only qualified after all the males perished. Under the new right of succession if a daughter is born before a son – she qualifies to be Queen before he can be King.

(FOURTH) The Mighty Hunter that Gathers the Nations of the World to Bow to an Earthly King

Amos declares with utmost contempt:

“Are you not like the Cushites to Me O children of Israel? Says the LORD” (Amos 9:7)

Cush was the first son of Ham. Cush begat Nimrod who was a mighty hunter before the LORD (Gen. 10:8-9). This fits with the reputation of the Makirites for accomplishment with the bow and arrow. Through conquest Nimrod built a great empire and cities. He also founded a perverse religion of star worship. Nimrod usurped kingdoms that belonged to other people and gathered the captive people into a giant commonwealth of nations for his own glorification. Continuing the Egyptian tradition he caused the people to worship himself – and declared himself to be a god among them. His kingdom was to never end – and he was ready to rule the whole world. God destroyed his tower of Babel and scattered all his captive nations to faraway lands. The Sun set (with a crash and a boom) on the Empire of Nimrod.

⁷ Athalia ruled illegitimately.

APPENDIX

The Hebrew word ‘**Manasseh**’ means ‘**I Have Forgotten**’. This is the core of it. With all its wealth and power and privilege and blessing – the descendants of **Manasseh** forget the God who gave them such a rich inheritance. By forgetting God they cut themselves off from the only hope the punishment of their sin could be restrained.

DEEPER MESSAGES IN SCRIPTURE

Using the spiritual meaning of the numbers of the Hebrew characters we find the hidden Manah.

(Amos 4:1) Gematria Message: **PEOPLE WILL REJECT THEIR RULERS**

“**Hear People Work on Walls, the Word: Every Man For Himself**” - Lay workers pay attention! Time to flee!

“**This Victory (of the) Cows: Land of Kings Laid Waste**” – The British Royalty is done. The Nation will be destroyed.

“**Bashan (will be) Nation Reduced to Vassals: Under Religious Control**” – Another religion will take power in the U.K.

“**In the Mount (is) Loss of Safety (is) Samaria - God’s Right Hand**” – All institutions of society will be judged by God

“**Which Oppress, Land of LORD Defiled; Poor (have cried to) Courts of the LORD**” - Because they neglected the poor

“**Which Crush, Warriors Flee, Stumble, Fall; the Needy (who) Love the Law**” – The poor who are crushed are law-abiding

“**Which Say: Love Contention (do) Husbands (breath) Evil Schemes**” – The poor will lose faith in the rulers [husbands]

“**Bring Death; And Let Us Drink Children Slaughtered**” – (the rulers) brought death – (chose) children slaughtered.

The Monarch of England is also Head of the Anglican Church: The Preface to the 39 Articles of the Church of England describes the monarch as '**being by God's Ordinance, according to Our just Title, Defender of the Faith and ... Supreme Governor of the Church of England**'. Archbishops and Bishops are appointed by the Monarch of England and they must swear an oath of allegiance to the Monarch of England. Parish Priests of the Anglican Church must swear an oath of allegiance to the Monarch of England but they are not directly appointed by the Monarch of England. As if this is not enough - the 'Lords Spiritual' (consisting of the Archbishops of Canterbury and York and 24 diocesan bishops) sit in the House of Lords which over-rules the House of Commons – the elected representatives of the people.

The Coronation Oath: **Will you to the utmost of your power maintain the Laws of God and the true profession of the Gospel?** Will you to the utmost of your power maintain in the United Kingdom the Protestant Reformed Religion established by law? Will you maintain and preserve inviolably the settlement of the Church of England, and the doctrine, worship, discipline, and government thereof, as by law established in England? And will you preserve unto the Bishops and Clergy of England, and to the Churches there committed to their charge, all such rights and privileges, as by law do or shall appertain to them or any of them?

Defender of the Faith: Granted on 11 October, 1521 by Pope Leo X to King Henry VIII of England. The title was conferred in recognition of Henry's book *Assertio Septem Sacramentorum* (**Defence of the Seven Sacraments**), which defended the sacramental nature of marriage and the supremacy of the Pope. In 1530 Henry was ex-communicated. In 1544 Parliament re-confirmed the title, defining it as defender of the Anglican faith.
