

GATES OF JERUSALEM IN PROPHECY - PART I

Eastern Gate of Jerusalem¹

INTRODUCTION

The **Eastern Gate** of the Temple Mount is sealed off (see photo above). In the same way the mystery of the meaning of the **Gates of Jerusalem** has been sealed – until now.

The meaning is revealed to us because we are very late in the prophetic calendar before the Rapture and return of Christ. We can now look back in history and identify the prophetic meanings of the Gates precisely.

METHODOLOGY

Our method of pinpointing the dates and events for each **Gate of Jerusalem** is based on these assumptions:

1. Prophecy of the Incarnation is **Songs 6:9** (Annunciation to Mary)²
2. Prophecy of the Birth of Jesus Christ occurs in **Songs 6:10** (Gloria in Excelsis Deo)³
3. Prophecy of the life of Jesus Christ continues in Songs and ends at the Cross of Christ in **Songs 8:14**⁴
4. Modern history is predicted consecutively on a one-verse-one year basis in Songs, Isaiah and Jeremiah⁵
5. The 8th year in the life of Jesus Christ is marked as **1 AD (Isaiah 1:1 = Songs 7:4)**⁶
6. The years prophesied in Jeremiah follow consecutively after the years prophesied in Isaiah
7. Every time the word 'gate' appears in **Songs, Isaiah** or **Jeremiah** it refers to a **Gate of Jerusalem**
8. Only the **Gates of Jerusalem** in the Book of Nehemiah are prophetic of the 'rebuilding' (i.e. future)

¹ The **Eastern Gate** (called the **Golden Gate** by Moslems) was sealed by Moslems in 810, reopened by Crusaders in 1102, resealed by Saladin in 1187. Finally it was opened then sealed again by Suleiman the Magnificent, in 1541 and has remained closed since.

² "**My dove, my perfect one is unique; she is the only one of her mother, choice one of her that bore her. The daughters saw her, and called her blessed; yea, the queens and the concubines praised her.**" (Songs 6:9)

³ "**Who is this who appears as the dawn, fair as the Moon, bright as the Sun, and majestic as the Stars in procession?**"

⁴ "**Come away, my love, and be thou like to a roe or to a young hart upon the mountains of spices.**" (Songs 8:14)

⁵ We provide evidence for the one-verse one-year hypothesis in our paper: [Come Away My Love](#). We provide prophecies for years in modern history on our pages: [Isaiah](#) (1-1292AD) and [Jeremiah](#) (1293AD-present).

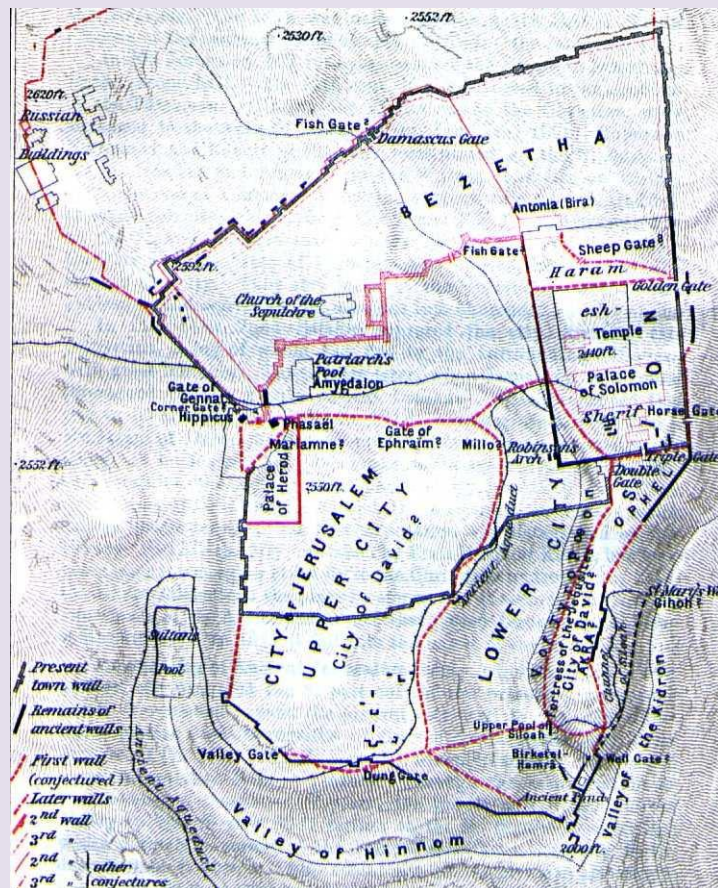

⁶ Each year of Jesus' life corresponds to a verse in Songs and a verse in Isaiah up to his death on the Cross (**Songs 8:14 = Isaiah 1:30**)

THE BUILDING OF THE ORIGINAL WALLS OF JERUSALEM

The walls and towers of Jerusalem were built in stages:

- (1) ancient walls of the Jebusites (surrounding the area later called the **City of David**);
- (2) walls of Solomon were extended to the Temple Mount (**1 Kings 3:1**);
- (3) towers (**Corner Gate, Valley Gate, and Ophel**) were built by Uzziah (**2 Chron. 26:9**);
- (4) the '**High Gate**' of the Temple was built by Jotham (**2 Chron. 27:3**);
- (5) walls were built by Hezekiah outside the terraces of the **City of David** to the east (**2 Chron. 32:5**);
- (6) walls were built by Hezekiah to the west and north including the **Fish Gate** (**2 Chron. 33:14**).

The map below is from a 1912 Book for Travelers. The walls called 'Present Town Wall' a heavy black line surround the area called 'Bezetha' are the modern walls of Jerusalem. These were built *after* Nehemiah.

On the north side the old walls are colored in solid red, just beneath 'Bezetha'. The old **Sheep Gate** and the old **Fish Gate** can be seen here. The old **Ephraim Gate** was located 400 cubits east of the old **Corner Gate**.

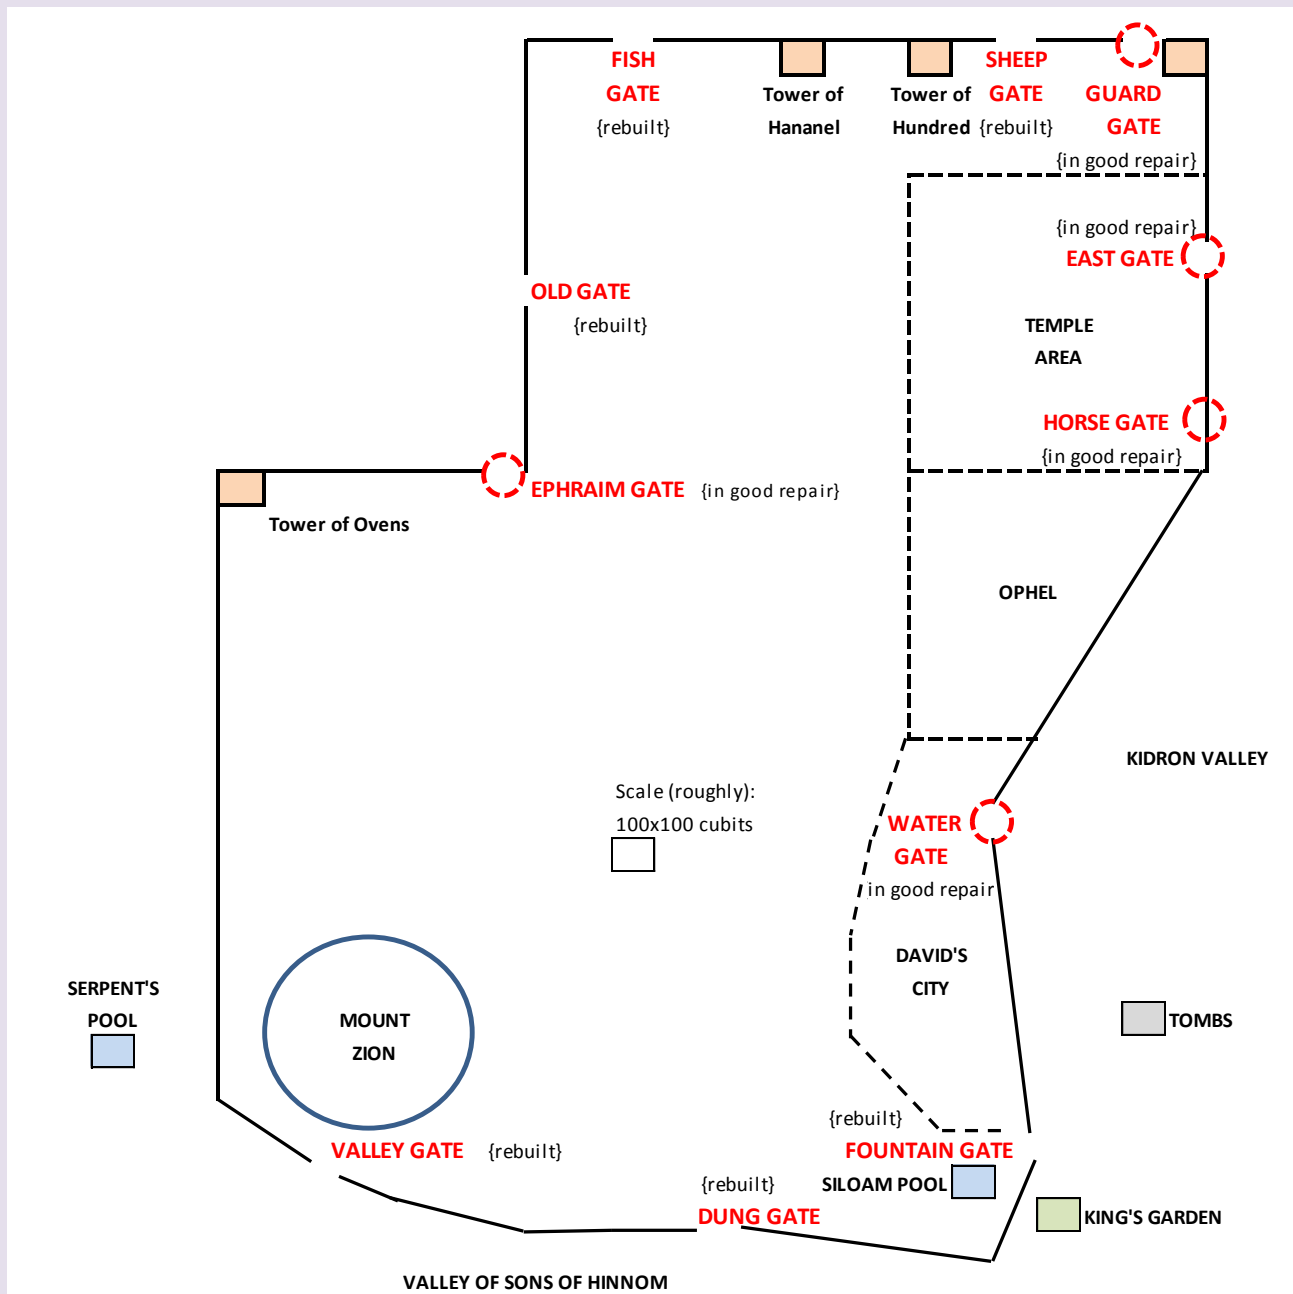

On the west side the old walls continue due south following the 'First Wall' dashed red line to the 'Remains of Ancient Walls' solid black line. On the south side Hezekiah's wall includes the **Valley Gate**, the **Dung Gate**, down the hill to a corner, then the **Fountain Gate** below the **City of David**.

PROPHETIC MAP OF THE WALLS AND GATES

The map below shows the order of the gates and towers referred to in the **Book of Nehemiah**. The exact location of all the gates is lost to history. The exact shape of all the walls is lost to history.

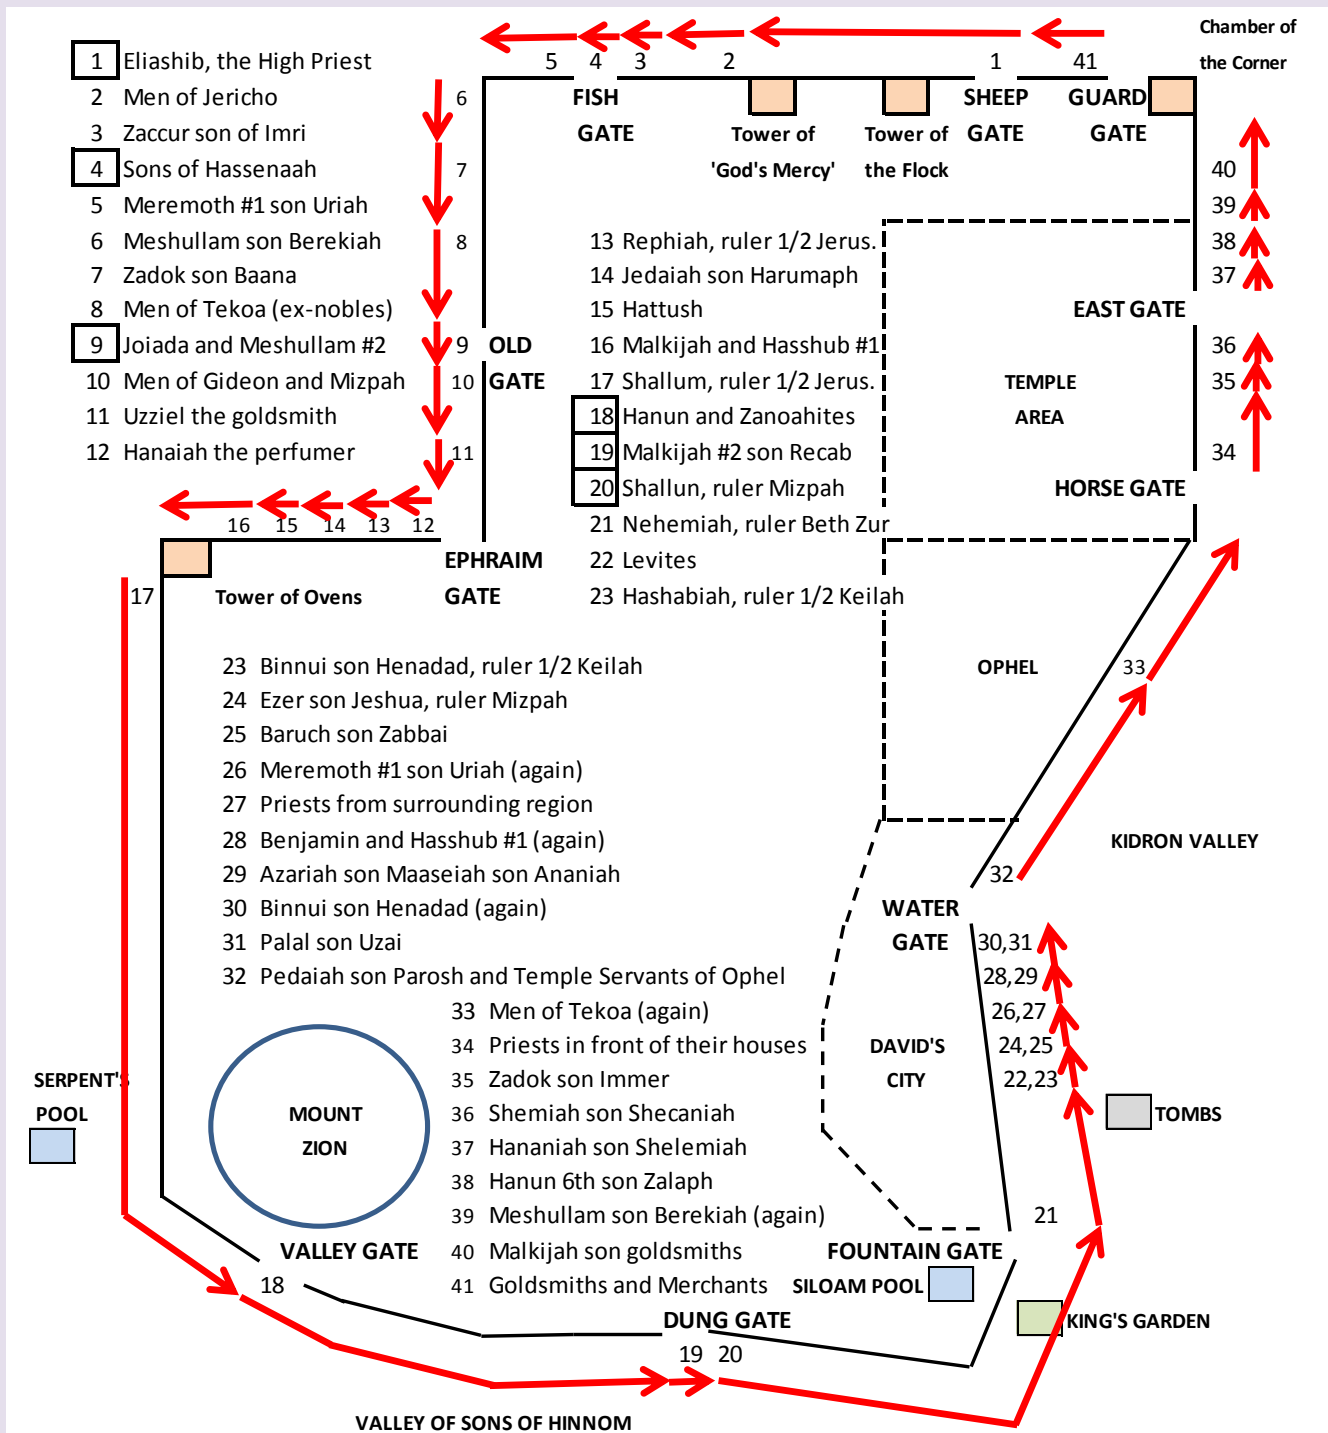

Our map is a 'prophetic map' not a 'survey map'. The main thing the Bible student needs to know is the order of the gates, not the precise distance between them. The order we have them is as described by Nehemiah.

For example, some maps put the **Dung Gate** up on the hill where the **Valley Gate** is located. Other maps put the **Dung Gate** at the bottom of the hill. We have put it half way between since we don't know.

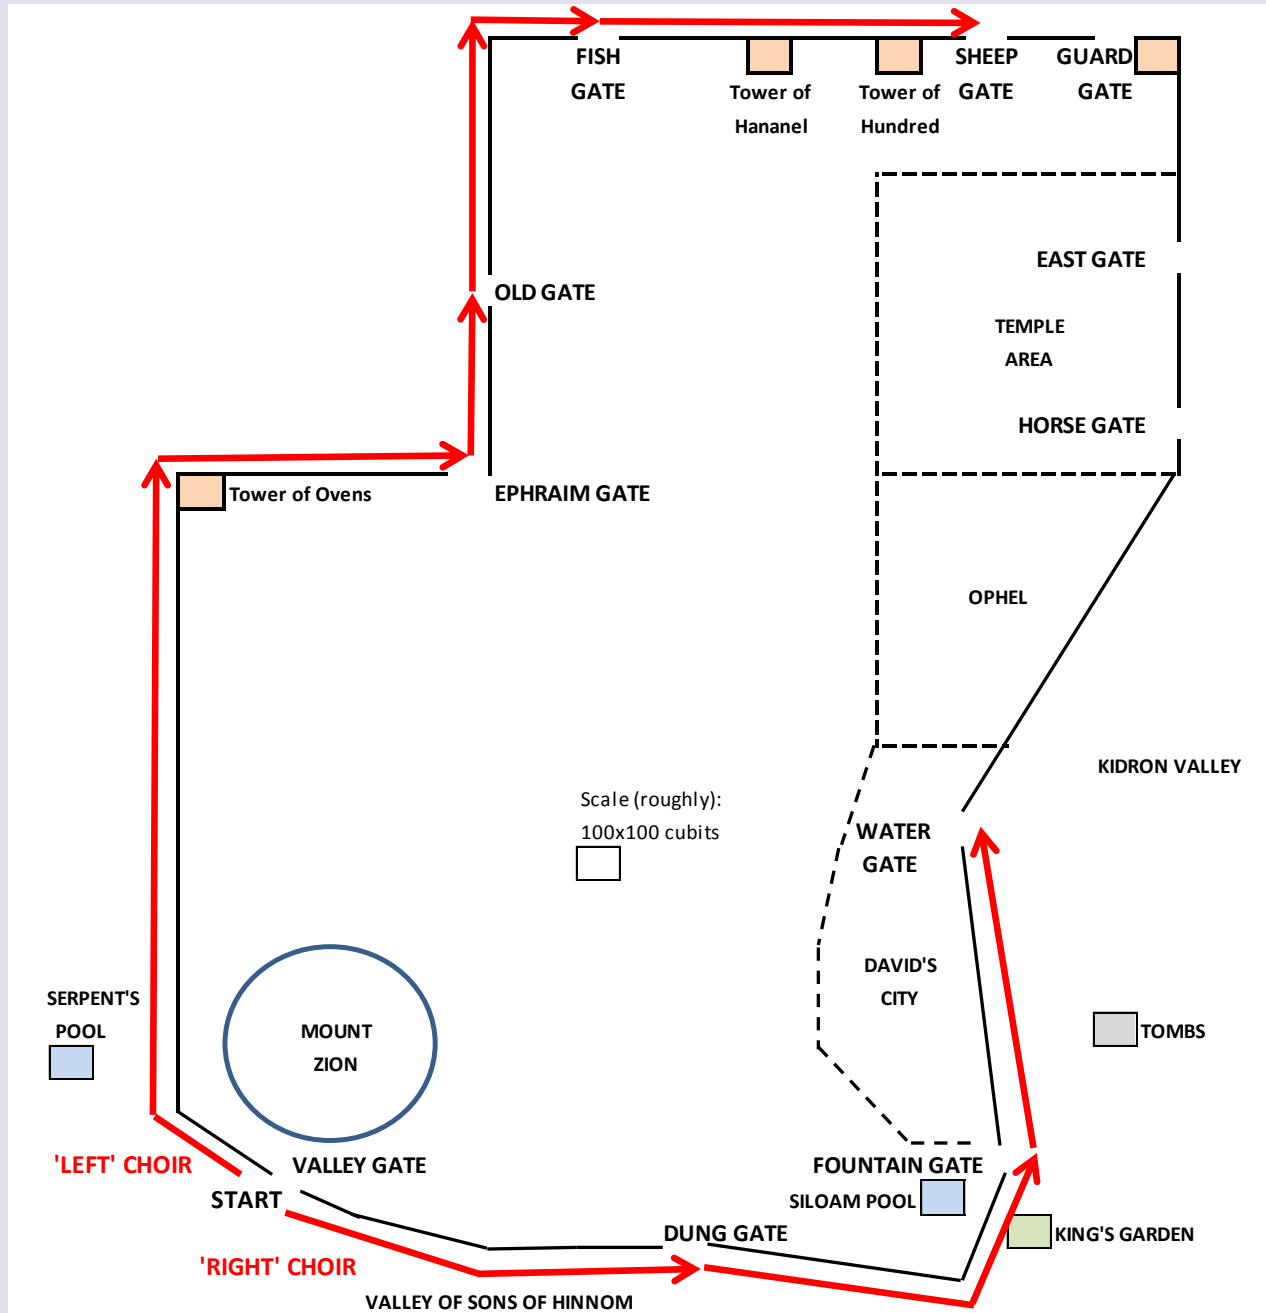

RE-BUILDING THE WALLS OF JERUSALEM (Nehemiah chapter 3)

The map below shows the families that re-built the walls. The wall is re-built starting from the **Sheep Gate** and proceeds clockwise all the way around to the beginning. This importantly tells us: prophetic fulfillment starts at the Sheep Gate, continues clock-wise, and ends at the Sheep Gate. The **Sheep Gate** is the Savior!

NEHEMIAH'S CHOIR TOURS (Neh. 12:27-43)

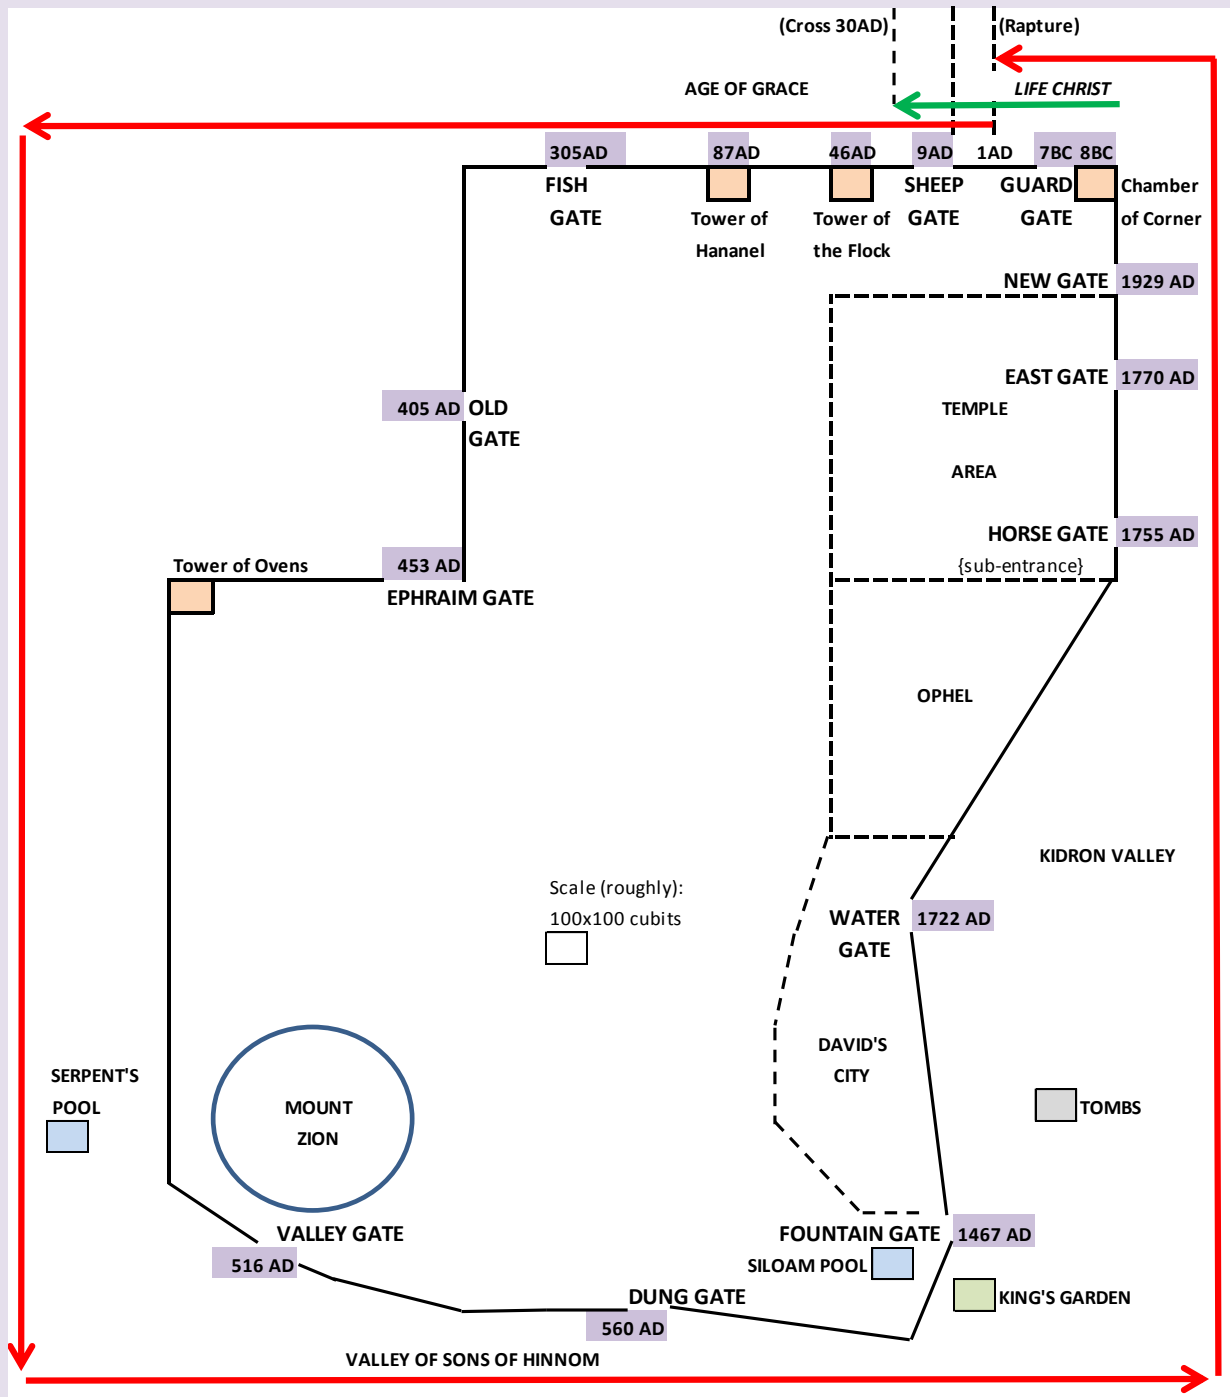

When the time came to dedicate the walls and gates of Jerusalem, Nehemiah appointed two choirs both starting at the **Valley Gate**. They walked across the walls in opposite directions to different places.

Nehemiah provides us with insights: (1) there are Two Choirs, two prophetic groups of 'wall walkers'; (2) the **Left Choir** are the Christians, whose home is **Mount Zion**, who look back in hope to the **Sheep Gate**; (3) the **Right Choir** led by Ezra the Scribe are the Jews, who look back to the promises made to the Patriarchs: rebuilding **David's City**, the inauguration of the Messiah, King of the World, Son of David, ruling from Jerusalem.

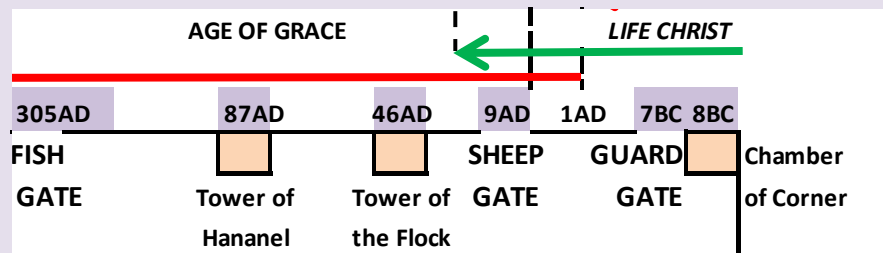

SUMMARY– BIG PICTURE

The Walls of Jerusalem predict modern history 1AD to the **Rapture**. The **Life of Christ** starts at the **Chamber of the Corner**: Christ leaves his lofty room (Heaven) to be incarnated in the lowly room (Womb) of Mary. In 9AD Christ appears in the Temple (**Sheep Gate**). On the final trip around, the **Chamber of the Corner** is the **Voice of the Archangel** (1st Seal) and the 1st Trumpet is the **Rapture of Saints**. From 2AD to 8AD is the **Great Tribulation**. Then at the very point on the Wall Christ 1st appeared in the Temple, 9AD, Christ's 2nd Coming!

PART 1 – ROMAN EMPERORS RESIST GOD OF HEAVEN

Prophecy concerning the portion of the wall along the north wall directly west of the **Chamber of the Corner**:

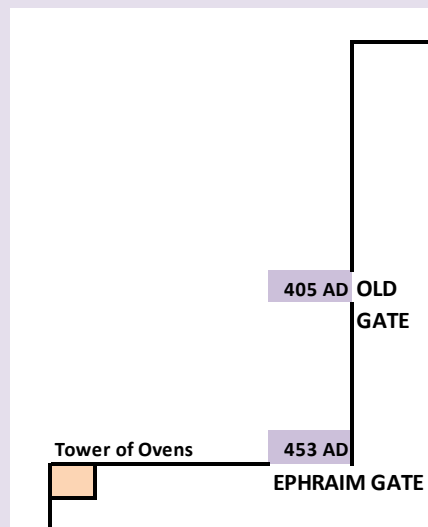

The following is the list of verses in the Prophets starting with **Songs 6:9** which contain the key-words: 'GATE' or 'TOWER'. **Isaiah 1:1** is **1 AD** so the **46th** verse of Isaiah, which is **Isaiah 2:15** corresponds to **46 AD**. Prophecy of modern history continues on a one-verse one-year basis through Isaiah and Jeremiah.

750 AD	Isaiah 38:14	I moaned like a morning dove...	Battle of Zab	Entire Ummayad family massacred

Do Moslems have spiritual access to Jerusalem? They were offered the testimony of the Nestorian missionary **Waraka**. Islamic tradition says **Waraka** predicted **Mohamed** would be 'a prophet to these people' and bring 'a law like Moses'. But **Mohamed** rejected **Waraka** and prayed to Allah, a local Arab deity, patron of Mecca.

Moslems deny a Savior Messiah comes from the Jews. So, Moslems put themselves outside the walls of the **Jerusalem** into the **Valley of the Sons of Hinnom**. Consistent with this, Moslems pray to the Mecca sanctuary. Confusingly, Moslems deny Jesus was crucified; they say he ascended and will return in a Last Battle on earth.

PART 5 – CHRISTIAN RELIGION REVIVES IN EUROPE

In the darkest hours of attacks by Vikings and Moslems a religious fire is kindled in Europe and spreads.

897 AD	Isaiah 44:18	They know nothing, they understand not..	Second Viking invasion defeated	England embraces Church of Rome

Looking at the geography we see no **Towers** and no **Gates of Jerusalem** in this span of the wall. At first blush it looks like Christianity is reviving but in fact Christian religion is reviving. Not the same thing.

Emperor Charlemagne was a beast who lived in a wild forest. He developed his taste for Christian religion in perilous times. The Church in Rome eagerly wed herself back to an emperor protector. The result was the spread of Christian religion by the force of the sword. This abused the commands of our Savior Jesus Christ.

Nevertheless, the Christian Kingdoms assented to the Incarnation: they are not spiritually **Sons of Hinnom**.

PART 6 – ISLAMIC CALIPHATE DIVIDES

Islam divides into **Sunni Caliphates**, based in the Middle East, and **Shia Caliphates**, based in Africa. Although considered the Golden Age of Islam, the Christian religion is expanding east into Bulgaria and Poland too.

The Moslem Caliphates based in Turkey will be a thorn in the side of Christian Europe for nine hundred years.

PART 7 – NORMAN KING CONQUERS ENGLAND, NORMAN KNIGHTS CONQUER JERUSALEM

The sons of **King Canute** are defeated by **William the Conqueror**. Norman nobility, a mix of French nobility and **Viking** chiefs replaced Anglo-Saxon families. A Norman clergy, loyal to William not Rome, swept in.

The first **Crusader** army composed of French and Norman Knights is led by **Godfrey of Bouillon**. The **Crusaders** enter Jerusalem and massacre the civilians. Crusaders were not Christians: but pillaging **Vikings!**

APPENDIX: INTERPRETTING THE PROPHETS

The Prophets do not have only a single interpretation, but multiple fulfillments. Like gems, light can strike from many angles to produce a sparkle. Here, we look at what the Prophets say regarding modern history.

For this purpose we recognize some principles of Prophecy interpretation:

- “LORD”** Can mean ‘JEHOVAH’ (who is Jesus) in the highest Heaven ruling over all nations and peoples;
Can mean ‘SUPREME RULER’ who has authority over a confederation of nations and peoples;
- “JUDAH”** Can mean the community of Jews – who observe traditional customs of the people of Judah;
Can mean a community of Ultra-Religious People – who observe traditions but have no faith;
E.g. in the Prophets God speaks of Roman Church as “JUDAH” – V. religious but no saving faith;
- “ISRAEL”** Nations in the West whose national religion was at one time the worship of Jehovah (Jesus);
Tribes of Israel are prophetic of nations in modern history (e.g. Britain = Manasseh);
- “BABYLON”** A nation with some religious possessions (e.g. articles stolen from Temple of Jehovah);
A nation that has never officially honored Jehovah (who is Jesus) above all gods;
Babylon can be: Sultanates / Caliphates / Khanates; America (officially deist); Vikings; etc;
- “ASSYRIA”** A nation with some spiritual heritage (i.e. at one time Assyria repented at preaching of Jonah)
Always a ruthless and merciless Sword of the Lord, wreaking destruction on neighbors;
- “EGYPT”** A nation with a cultic ruler that is filled with “IDOLS” (see definition in this list);
A nation that persecutes its own people; enslaving them and grinding them to dust;
- “TYRE”** A nation that harbors international commercial traders (i.e. merchants of the sea)
They worship a harlot goddess (i.e. they trade with anyone). Tyre is in alliance with the Devil.
- “IDOLS”** Humans who are venerated as having power or knowledge or purity from sin like the gods;
E.g.: Pope to Catholics / Orthodox; national heroes (e.g. Lenin, Washington, Ali, Osman);
A human with loyal ‘fans’: sports stars, movie stars, pastors and priests over congregations;
- “DAUGHTER”** Always a religious community; usually having the religious heritage of a foster nation;

Example: 'Daughter of Babylon' in a certain context might be Moslem believers;

- "ZION"** Mount Zion is a hill in south-west Jerusalem with no temples; Zion is Faith in a Savior Messiah;
- "EPHRAIM"** Can mean "ISRAEL" since the tribe of Ephraim was the lead tribe of the northern Kingdom
But, after 1776 AD, "EPHRAIM" is fulfilled as the United States of America
- "BENJAMIN"** Means "JEWISH HOMELAND IN PALESTINE". After 1917 it is "MODERN STATE OF ISRAEL" (sic)
Prior to 1917, "BENJAMIN" means the people who long for a Jewish Homeland in Palestine.
- "TEMPLE"** Means 'Man-made Religion'; Like Solomon's Temple – all measurements out of a man's mind;
- "PRIEST"** Means 'Highest Authority in the Temple'; i.e. most senior figure in a Man-Made Religion
Man-Made Religion includes the secret cults: Knights Templar, Freemasonry, Bensaalem, etc.
Since the British Monarch is also head of the Church of England: he is a prophetic "PRIEST"
- "PROPHET"** Means 'One Who Speaks God's Will' regarding issues outside boundaries of Man-Made Religion
E.g. In Jeremiah, Parliaments are spoken of as "PROPHETS"; prophets may be good or bad;
- "KING"** Means 'Highest Authority in the State'; usually applies to a monarchy or a dictatorship;
Can mean religious leaders, like the Pope, who are also the head of a state: i.e. the Vatican;
- "JERUSALEM"** Community of all people who believe the Savior Messiah must be a literal Son of David;
Geographically, Jerusalem is outside Judah; Jerusalem does not belong to the Jews!
Of the Jews, some will pilgrimage to Jerusalem (i.e. worship the Savior Messiah); others won't.
All born-again Christians belong to 'the Jerusalem that is above' (worship the Savior Messiah)
Those who worship Savior Messiah at Mount Zion gain favor with God by faith in Jesus' blood;
Those who worship at a Temple in Jerusalem gain no favor with God: they deny Jesus' blood;
IMPORTANT INSIGHT: Jerusalem has enemies within and without the Walls;
Enemies Outside: Nations who despise the Savior Messiah (pagan and post-Christian nations)
Enemies Inside: Sects who reject salvation by faith in the Savior Messiah (all legalistic religions)
- "GATE"** An entrance to Jerusalem that is often the focus of battle with enemies, inside and outside.
