

## 7TH ERA (2200 – 2151 BC): 7TH SIGN PISCES “GENTILE BELIEVERS SNARED”

### STAR PROPHECY

The Hebrew name for the star sign is **Dagim**, “The Fishes”. It can also be translated “The Multitudes”.

The two fish in **Pisces** are at each end of **The Band** connected to the single star **Airescha** “The Bridle”, part of **Cetus** “Beast from Sea: Shaman”

**The Band** connecting the two fish in **Pisces** is a separate star sign. The North Fish has a star with the name: **Al Samaca** “The Upheld” and the (lower) West Fish has a star with the name: **Okda** “The United”.

No bright stars are present. This suggests the star name meanings are less important than other factors, such as position.

**Pisces** is located on the path of the Sun, but mostly above the ecliptic in the “Land” portion of the heavens. We are looking at fish on land!

The “Land” is where there is faith in God. Fish are normally in the Sea where there is little faith in God. So: **Pisces** speaks of Gentiles (pagan backgrounds) who have found faith in God.

### HISTORICAL EVENTS

Family ties and respect for the father are very important in semite culture. These bonds, **The Band**, held **Abram** back for many years in his walk with God and delayed him from settling in Canaan as a free believer, **Pisces**. (*Syrian ties stumbled believers after him too: Isaac and Jacob both took wives from Haran*)

**Terah** had three sons: **Abram**, **Nahor**, and **Haran**. **Haran** died in Ur of Chaldees. **Nahor** was the first to leave Ur and settle in Aram (Syria). **Nahor** married **Milcah**, the daughter of **Haran**.

**Terah** “served other gods on the other side of the River” (i.e. in Babylon) [Josh. 24 v 2]: all the relatives in the extended family of Terah served Babylonian gods: except **Abram** & **Lot** & **Sarai**.

After the forefathers died, **Terah** as patriarch of the family, moved to Haran. (*Tradition: he made idols*).

**Abram** abided in Haran while **Terah** was alive and did not leave Haran until **Terah** died.

2196 BC **Reu** died; 2173 BC **Serug** died

2164 BC **Terah** left Ur with **Abram** & **Lot** & **Sarai**
