

AD 27TH ERA (1301 – 1350 AD): 27TH SIGN DRACO “DECEIVERS CAST OUT OF HEAVEN”

STAR PROPHECY

HISTORICAL EVENTS

Draco is a Greek word meaning “Trodden On”.
The Hebrew word **Darach** means “To Tread”.

The stars:

In the head is **Rastaban**: “Head of the Subtle” in the tail is **Thuban**: “The Subtle”. Others: **Giansar**: “The Punished Enemy”, **El Atik**: “The Fraud”, and **Eltanin**: “The Great Serpent”.

The head of **Darach** is pointed down, so the great snake is falling down from heaven.

The Bible does not leave the interpretation of **Darach** in doubt. Revelation 12:9-10 says:

“And the great dragon was cast out, that old serpent called the devil or Satan, which deceives the whole world: he was cast out into the earth, and his angels were cast with him...”

For interpreting this sign with respect to secular history ‘Heaven’ may be taken as rule, authority, and privilege. Thus ‘Satan Cast Out’ is prophetically a demotion from a position of power, privilege, and wealth.

Deceivers are cast out of Heaven everywhere.
