

## AD 29TH ERA (1401 – 1450 AD): 29TH SIGN PEGASUS “**HOLY ONES SHINE LIKE STARS**”

### STAR PROPHECY

**Pegasus** is a bright sign: one star of the 1st magnitude, two of the 2nd, three of the 3rd, and four of the 4<sup>th</sup> magnitude.

In the neck is **Markab**: “Returning From Afar”.

In the head is **Algenib**: “Who Carries”.

In the nose is **Enif**: “The Nose”. The front legs attach at **Scheat**: “Who Goes and Returns”.

**Pegasus** is also a large sign in the northern sky, with the great square pattern clearly visible.

It pictures a winged horse coming head-first down from above in brilliant array.

The head of **Pegasus** is just above the sign of **Aquarius** “Servant Washes Feet” but upside down and looking back at the sign of **Cygnus**: “Resurrected Saints”. To the backside of Pegasus is **Andromeda**: “Slave Woman in Chains”

**Aquarius** is the Suffering Servant: the day of **Pegasus** will be his great reward. All will rise from the dead. But those who honored God in this life will return in power & glory!
