

## AD 30TH ERA (1451 – 1500 AD): 30TH SIGN CASSEIOPIA “FREE WOMAN: QUEEN OF HEAVEN”

### STAR PROPHECY

The bright star near the left breast is **Shedar**: “The Freed”. **Cassiopeia** is a Free Woman.

The star **Caph**: “The Branch” comes from the Hebrew word used in the Bible to describe the branches used to make booths in the feast of Succoth (Lev 23:40-41). **Cassiopeia** is holding a branch in her right hand (beginning of dynasty?)

In the picture (to the left) the feet are at the top left and the head is at the bottom right. The ancient Dendera pictured her as “A Gazelle” lying beside **Cephus**. The gazelle is a ‘clean’ animal related to sheep and is a symbol of freedom, gentleness, and everlasting love (Songs 2:9, 17).

The Arabs called her “The Enthroned” and other ancients called her “The Daughter of Splendor”.

**Cassiopeia** is a Queen. She is the Queen of Heaven which the Israelites worshipped: Jeremiah condemned this bitterly (Jer. 7 v 18)

In star prophecy of secular history **Casseiopeia** is a Queen of a Great Empire such as Spain. (*Spirit of Tyre removed from Constantinople to Madrid*).
