

AD 31ST ERA (1501 – 1550 AD): 31ST SIGN SERPENS “SNAKE CRUSHES VICTIMS IN COILS”

STAR PROPHECY

HISTORICAL EVENTS

This is Ismail. Look at his hat! Is that not the shape of coils of a snake? Here is the key insight: Ismail is not in power; he is under power of the clerics.

Serpens is the line of stars – separated by the leg of **Ophiuchus** “Life & Death Struggle” which is stepping over **Serpens** to place his foot on the head of **Scorpio** “Seed of Satan”. Stars:

Unuk in the neck: “Encompassing”.

Alya in the tail: “The Accursed”.

Al Hay: “The Reptile”.

Chelebalrai in the jaw: “The Serpent Enfolding”.

Caput: “Head”, **Cauda**: “Tail”.

Serpens has a cold-blooded agenda for absolute rule: (1) All-encompassing – every aspect of life is affected; (2) Intense pressure on mind & will, like squeezing power of the snake’s coils choking out breath; (3) Swallowing victims whole: accursed.

This sign is connected prophetically to extreme religious sects or orders. Example: **Catholic Jesuits / Persian Shi’ites**. These sects impose strict rules / Sharia Law on all relying on disproportionate penalties for non-compliance: (prison, torture, death) to keep obedience.

Serpens has an arch-rival: **Ophiuchus** (Lutherans / Ottomans) who wipe **Serpens** between their legs!
