

## AD 33RD ERA (1601 – 1650 AD): 33RD SIGN COMA “DREAMS OF PARADISE COME TRUE”

### STAR PROPHECY

### HISTORICAL EVENTS

The picture is of a male child on the knee of a woman. Sometimes the woman is pictured on a throne. **Coma** is a decan of **Virgo** “Seed of Woman” which alludes to promised Messiah.

**Coma** in Hebrew means “The Desired”. The Egyptian name was “The Desired Son”.

*(The Greek word for hair sounds like Coma and that is how the name of the sign was wrongly changed to the ‘hair of Berenice’.)*

The Hebrew name for the child of **Coma** is **Yeshua**, or “Jesus”.

There are no bright stars in **Coma** but there are many star clusters and distant galaxies.

In **Coma** there are not the usual dozen stars, but thousands of galaxies of stars!

In a secular context, **Coma** may be taken to symbolize the realization of long held hopes and dreams; of which prior generations had only the barest of glimpses: just as the Abrahamic faiths hope for a millennium of peace under Messiah.
