

**AD 6TH ERA (251 – 300 AD): 6TH SIGN AQUARIUS “SERVANT WASHES FEET”****STAR PROPHECY****HISTORICAL EVENTS**

In the right shoulder **Sa-ad Al Melik**: “record of the outpouring”

In the left shoulder, **Sa-ad Al Sand**: “pourer out”;

In the left hand, **Al Bali**: “the swallower”;

In the right leg, **Skeat**: “who goes and returns”;

The picture is of water being poured out, into the mouth of a fish far below in the deep sea.

Jesus identified himself with this picture in the stars of the servant pouring out water.

Jesus said: “...**whoever drinks the water I give him will never thirst**” (John 4 v 14)

“...**so he got up from the meal, and wrapped a towel around his waist. After that, he poured water into a basin and began to wash the disciples’ feet, drying them with the towel around his waist**” (John 13 v 4 – 5)

Jesus said: “**Now that I your Lord and Teacher have washed your feet, you also should wash one another’s feet**” (John 13 v 14)

Jesus returned (by faith) at Pentecost: “**I will pour out my Spirit in those days and they will prophesy**” (Acts 2 v 18)

**Aquarius** reveals the servant heart of Jesus. But it also portrays disciples merrily eating: insensitive to the abasement of their LORD.

At this time in history Christians had no good choices. Roman persecutions were widespread and bloody. Meanwhile, in the community of faith, clerics had become tyrannical over-lords.

270 AD Anthony left the world behind and went into the Scetis wilderness in Egypt to seek solitude and an austere life as a hermit.

Like the fish deep in the Sea, Anthony retreated far from Church-*ianity* but Christ fed him there!

Thus began the ‘Desert Fathers’: a movement which sought a closer communion with Jesus.

Sadly, these communities became formalized and co-opted back into the control of clerical religion. Abbas (‘Fathers’) oversaw the disciples.

270 AD Emperor Aurelius took the title ‘LORD and GOD’: truly the days were spiritually dismal!

285 AD Empire Splits. Judgment is nearing.

293 AD Splits Again. Prayers are being answered.

The darkest hour comes before the dawn...
