

**34TH ERA (850 – 801 BC): 34TH SIGN CANIS MINOR “WOE TO CITY OF BLOOD”****STAR PROPHECY**

Few pictures of this sign have come down to us. *(The author puts no credence in the Latin name Canis Minor, except it links it to Canis Major).*

Stars:

**Procyon** “Before the Dog” and

**Gomeisa** “Burdened for Others”.

**Canis Minor** is an evil sign, below ecliptic, a decan of **Gemini** “Love Stronger Than Death”

This is the 34<sup>th</sup> sign. The interpretation is linked to Genesis 34 (mass circumcision & genocide at Shechem) and **Nahum** (34<sup>th</sup> book).

The book of **Nahum** begins with the words:

“God is jealous, and the Lord avenges” (Nah 1v2)

“Woe to the bloody city! It is full of lies and robbery. Its victim never departs.” (Nahum 3v1)

“Your shepherds slumber; O king of Assyria; your nobles rest in the dust. Your people are scattered on the mountains.” (Nahum 3v18)

**HISTORICAL EVENTS**

God had sent great prophets to the Northern Kingdom of Israel including Elijah and Elisha. In spite of this the Kings of Israel would not repent and turn whole-heartedly back to Jehovah (*because to do so would mean worshipping in Jerusalem: with whom they were at odds*). So, God sends a measly prophet (in comparison to Elijah and Elisha) to preach to Assyria; and the greatest city in the world repented all the way up to the King on the throne.

Assyria was the ‘Bloody City’: but they repented. So ‘Woe to the Bloody City’ will fall on Samaria, capital of Israel, where so many kings & kin were murdered.
