

39TH ERA (600 – 551 BC): 39TH SIGN ARGO PUPPIS “VIRGINS FLEE: RAPIST IN HOUSE**”****STAR PROPHECY****HISTORICAL EVENTS**

Argo Puppis is the stern of the ship **Argo**.

Argo is in the south portion of the heavens, below ecliptic: it is associated with little faith.

Argo Puppis speaks of people on stormy seas exposed to wind, waves, salt water, and pirates.

The captain & passengers of Argo bunk in the stern of the ship: safest in battle & most pleasant in travel. But this becomes the worst place.

Argo Puppis is behind and beneath the rear end of **Canis Major** “Mighty Warrior Scorns All”.

The passengers in the stern are enduring great humiliation: the filth from behind the **Big Dog**.
(*Is this why they call it the ‘Poop Deck’?*)

Big Dog is facing West. Puppis faces East: trying to flee the Big Dog but making no progress.

The **elites of Jerusalem** all the way up to the king ignored the advice and warnings of Jeremiah. **Nebuchadnezzar** humiliated them: destroyed their city & temple: the exiles fled east.
