SIGN DESCRIPTION:

DRAGON CAST OUT OF HEAVEN (Full of comotion at his fall)

SIGN INTERPRETATION: (per Genesis 27)

The author spent many years in a bureaucracy. I saw internal and external politics interfere with work constantly. This, in a country with a reputation for low corruption. (laugh). I see Draco not as one but as a chain of snakes wrestling and jostling to be apprentice to the inner circle of the Dragon: Eltanin, Beta, Nu. How do snakes wrestle? Any device or sorcery is considered. In Genesis 27 we have this conversation between two power players in a high stakes gamble to swindle another player for the favor of the most high decision maker: "Jacob said to Rebecah: 'Look, Esau my brother is a hairy man, and I am a smooth man. Perhaps my father will feel me and I shall bring a curse on myself and not a blessing.' But his mother said 'Let your curse be on me, my son; obey my voice, and go get them for me.'" (Gen. 27 v 12). If you look at the stars in Draco and their corresponding Bible chapters they speak of trickery and lies that are done to get power and to keep power. Here's the Good News: Jesus came to us without guile. He was forthright, truthful, and transparent. When he presented Himself in Jerusalem, the snakes at the top of the food chain chewed Him up. Yet after all the HOLY TRUTH is God is the 'most high' decision maker. He rewards those who are forthright, truthful, and transparent: Jesus now sits at God's right hand. Draco is a dazzling dance but of falling stars. Evil loses in the end. Every time.

Eltanin: What goes up and down? The slings and arrows of outrageous fortune

Bible Chapter: Genesis 40

Subject: Butler rises; Baker falls; Joseph is forgotten

Insight: Pharoah is displeased. So the Butler and the Baker are sent to prison. While in jail they have dreams and the special agent of the prison warden, Joseph, is there to investigate them. They tell their hearts to Joseph, who gathers the intelligence. Three days later, surprise, Joseph's predictions come true. The Butler rises and the Baker falls. Joseph asks the Baker to speak to Pharoah on his behalf, a scheme that would bypass the chain of command, i.e. his boss the prison warden. But the Butler is honest, forthright, and transparent: he won't participate in duplicity.
